Aaron and UNT Volunteer team:

It was an honor working with you folks over the past couple of days. The members of the Denton County Veterans Coalition are very proud and appreciative for your contribution to the Denton County Veteran Stand Down. From the set-up to the take-down, and everything in between you folks did more than we could have imagined.

Some of you heard in our after-action meeting that your work with the veterans as you walked with them from station to station was unique, and above and beyond expectations. We were able to connect with about 28 vets yesterday and that number represents about two-thirds of the total number of homeless vets in the county! This was a great day because of your incredible efforts.

All of you can be justifiably proud of your contribution to this cause. What you have done has the potential to improve the lives of these men and women and their families by overcoming homelessness. We are proud of each of you and especially proud to work with you in this good cause. Thank you for doing what you do in behalf of others!

With enduring respect
Raymond Holder
Denton County Veterans Coalition
