What Our Stakeholders Said

Dr. Vinson and the UNT Career Center staff always present a thoughtful, upscale and engaging event for the students of the University of North Texas. Career Development, leadership, employer engagement and opportunities are critical life skill{s} for the college student. What and who you don't know can be a detriment to your career. These types of event{s} that present the top employers in the DFW area and nationally, bring the student closer to bridging that gap. It was great to see students dressed professionally, carrying resumes and a big engaging smile. Great job, UNT.

I echo Mark A. Pullam, MBA This was a perfect venue and set-up... worth repeating to showcase our beautiful Student Union...kudos!

This UNT Career Fair was a great experience. I have been to multiple Career Fairs, but this semester was special. I'm currently a junior at UNT majoring in Finance with a minor in Marketing. Thus, it was also pleasure to speak with ...T.D Ameritrade about future opportunities and the growth T.D Ameritrade is constructing. Overall, I would like to thank the Career Center University of North Texas for putting together such a wonderful experience. Thank you.

Impressive turnout and incredible connections
