I. Call to Order [5:32 p.m.]

II. Opening Ceremonies [5:33 p.m.]
   a. Pledge of Allegiance
   b. Texas Pledge

III. Roll Call [5:34 p.m.]
   a. 6 Senators present
   b. 4 Senators absent

IV. Guest Speaker [5:34 p.m.]
   a. Adrian Cooks, the Apple Campus Representative for UNT
      i. Presentation on behalf of the Mainframe UNT to bring awareness to the store and the services available to students.
      ii. There is a store on campus (Union 214) that provides services as well as a selection of Apple products. Information and infographics detailing services were provided to SGA as part of the presentation.
          1. The store offers repairs, discounts
          2. Selection includes: MacBooks, iPads
          3. Discounts are applied automatically, unlike competitors
          4. Starting in the Fall, there will be presentations offered to the UNT community
          5. The Mainframe just started doing trade-in of old equipment for new models.
          6. There is a payment program in the works; they are hoping to have it ready by the start of the Fall semester
          7. Question, Sen. Horick: Do you only have new Apple products?
             a. Answer: Yes; exclusively new Apple products.
8. **Beats by Dre Promotion**: any new Mac/iPad Pro purchase gets you free wireless beats (see Mainframe for more details: [http://studentaffairs.unt.edu/mainframe](http://studentaffairs.unt.edu/mainframe))
   a. **Q, Sen. T. Miller**: What is the price of an iPad Pro?
      i. **A**: ~$579 (See Mainframe for more detailed pricing information.)

9. **Q, Sen. Muric**: Do you have chargers for devices?
   a. **A**: Yes.

10. **Q, Pres. Hale**: If I do a trade-in, do I still qualify for the Beats promotion?
    a. **A**: Yes.

11. **Q, DLD Warriner**: Have you started repairs?
    a. **A**: Yes.

V. **Old Business**
   a. **June 24th meeting minutes** [Read by Sen. Horick; Approved at 5:47 p.m.]

VI. **New Business**
   a. No new legislation.

VII. **Officer Reports** [Began 5:47 p.m.]
   a. **Director of Leadership & Development**
      i. Mentor application closes tonight at 11:59 p.m., please apply if you are interested.
         1. Hopefully, decisions will be made by the end of next week.
      ii. Reaching out to other student intern programs across the state.
      iii. Updated description of the Freshman Intern Program on website to provide more information for interested students.
      iv. Planning on methods to reach out to freshmen (e.g. tabling in residence halls, First Flight Week)
   b. **Director of Student Affairs**
      i. Met with Christa Coffey and Ryan Davis to discuss Eagle’s Nest
ii. Looking to improve efficiency of the Eagle’s Nest application process for student organizations

iii. Looking at other schools for possible ideas

iv. Auditing for Raupe Travel Grant

c. President

i. Wrapping up orders of SGA polos and nametags
   1. SGA will receive these at the first meeting on August 31st
   2. First week of September: group photo and headshots

ii. SGA purchased add space in student planners that will be handed out on campus. This will hopefully enable students to have more access to SGA

iii. There has been previous discussion about video capability in the Senate Chambers. Pres. Hale reached out to someone about possibility of getting Senate members trained to broadcast meeting as a cost-saving measure. Will try to utilize existing technology and will be following up next week about this.

iv. SGA Town Hall meetings scheduled; four are set, one tentatively planned for Discovery Park pending room reservation.

v. Texas Student Government Council Presentation
   1. Student governments have reached out to SGA with interest in creating a unified front of student governments within Texas
   2. 18 universities have committed
   3. Initiated by Texas A&M
   4. There is a legislative agenda with 5 points
      a. The agenda is not set in stone and we have NOT officially joined, but we are looking into it
   5. Has been discussed with Dr. With (VP for Student Affairs) and she is on board.
6. Q. Sen. T. Miller: Will there be dues, or is it simply a membership?
   a. A: No dues in place yet, but this is still in its infancy. The primary requirement is that it would necessitate several trips to Austin.

d. Vice President
   i. As of today, Hale/Cole have met with the entirety of the president’s cabinet
   ii. Special interest groups form will be going out soon
   iii. 5 groups are currently listed on the form (See form: https://orgsync.com/8395/forms/205976)
      1. Anyone can complete the form and select how many options they would like, in addition to expressing interest in external committees
      2. Form also includes appointed positions
   iv. Form does not guarantee placement but gauges interest
   v. Q: When will it be available?
      1. A: Monday; we want to review it thoroughly before it is released
      vi. Let Exec know about any questions, copy SGA email, let us know if they can do anything for Senate legislation
   vii. [Officer reports concluded 5:58 p.m.]

VIII. Discussion
   a. Committee/Legislation Follow-up
      Hammocks [6:00 p.m.]
      Sen. Horick: The hammock committee has not met since the last session. Sen. Mercado has continued corresponding with Facilities and has reached out to Outdoor Pursuits. We are waiting for a price quote for the Hammock Areas. Sen.
Mercado has drafted legislation, and we have finalized our preferred locations (North of the GAB, Goolsby Park).

**Discovery Park Café Dining Hours Extension**

No report.

**School supply vending machines** [6:02 p.m.]

Sen. Muric: The school supply vending machine suggestions have been incredibly helpful—thank you all for sharing the input you received from students! Sen. Muric has contacted Kristi Ormand of Auxiliary Services with a list of supply suggestions and general areas where the vending machines have been requested. We’ve received multiple requests for the music building to have a vending machine that allows the purchase of mouthpieces, valve oil, music sheets, etc. We are waiting on a response from Kristi to see if any vending machines can dispense that sort of thing. Music hall vending machine updates will be forwarded to College of Music Summer Sen. Chelcie Parry.

**Housing – pets**

Sen. Horick: Sen. Mercado reached out to James Fairchild and a discussion has been started regarding the possibility of pets for upperclassmen living on campus.

**Transportation / Increase transportation to athletic**

Sen. T. Miller: Clark Hall’s R parking lot is being reconstructed to remove 90 parking spots to build a walkway to Gateway. As of this fall, new, “first time in college” students will park by Fouts and Apogee. Returning students will need to purchase the Eagle permit, previously known as the Premium or General permit, for $250, the same price as the new resident permit. In December, the CVAD parking lot
for D permit holders will be closed to work on the new CVAD building.

Student Service Fee Increase is something the students need to ask for—there are simply not enough buses to take all of our students where they need to go. The Transportation committee will serve to get feedback from students regarding a possible transportation fee increase. The committee will also serve to inform the student body of any changes happening within parking and transportation services on campus.

Updates on parking times – new uniform time limits for all lots instead of times varying between lot types.

Pass to space ratio dropping from 2.5:1 to 1.5:1

Comments from Dr. Robinson: DOT is running two separate models: (1) flat fee that would not increase for a set period of time i.e. $50/semester for next 10 years, or (2) adjust as needed annually

DOT is meeting with the president’s cabinet on this matter; if this meeting goes well, this model will be decided soon

Sen. Miller is working with UNT Alumni students to create a UNT sponsored smartphone application that allows users to be notified of any road closes or bus route changes. Associate Director Debra Mahan has suggested implementing the use of Transloc, an application used to track campus buses and determine their ETA. Sen. Miller is also working with Senior Housing Director Gina Vanacore to discuss researching ways to provide housing for students by purchasing nearby apartment complexes and facilities without building new dorms and creating less parking availability for the campus.

[6:08 p.m.]
Research Database
Sen. T. Miller: Sent a reminder to Associate Honors College Dean James Duban about the database and is waiting on a response; Senators Miller and Horick will meet with Dr. Duban to discuss connecting students with research opportunities. This database will likely include a dropdown menu with lists of departments that have research and will allow students to look through database of research and internships. Professors may be able to stipulate prerequisites for students for intern positions [6:10 p.m.]

Renewable Energy
Sen. T. Miller: Attended local Denton chapter CCL meeting this past Saturday; looking to get their help with renewable energy issues as we move forward on campus.

First Generation American COB Mentoring
Sen. Aguayo: Trying to start a mentoring program for first and second generation students who may not have the same networking connections needed in the College of Business. Matter of personal significance to Sen. Aguayo. Goal: Help retention rate of students in addition to aiding with networking. Has contacted Aundrea Caraway (Coordinator for Mentoring and Class Identity), Christina Aguilar (Dir. Of Student Engagement and Recruitment), Damien Torres (Assistant Director of Multicultural Center and advisor for LULAC). Trying to set up additional meeting with mentor for Emerald Eagle Scholars Program.

Bylaw Revisions
No report [6:14 p.m.]
Map application

Sen. T. Miller: Ian McFarland reached out with an NT Daily article from February: Recent UNT grads created a map application; Miller has contacted the makers and has set up a meeting
Essentially, there is already a map application; We will look into what it is like, and how UNT could potentially partner with it
Looking into possibility of updating it with construction etc.
Q, Dr. Robinson: Is it possible to incorporate it with the existing NTExpress App?
A: We will look into it.

IX. Announcements
a. Sen. Muric:
   i. Facilities:
      1. According to Sen. Belokin, we have received feedback from students that the mulch path when exiting the NT Bridge is dimly lit as well as the running path near Victory Hall. Senators Teresa Aguayo, Tiffany Miller, and Mia Muric visited the area and reported the issues to David Reynolds of Facilities. Facilities is now mapping out lighting plans and looking into reapplying the mulch on the path.
      2. Sen. Muric has contacted Cpl. Crawford of UNT Police regarding the lack of lighting on the running path and the project is underway. We discussed creating an infographic for UNT Police to post on social media to educate students on the blue emergency lights posted around campus, and UNTPD is taking it into consideration.
   ii. Campus Carry:
1. The University of Texas at Austin has created new policies that allow faculty to ban guns from offices and dorms will remain gun free. We have asked SGA and the students for any feedback on getting this kind of policy implemented to UNT and, once again, thank you for all of your help! Sen. Muric has reached out UT's Vice President of Operations about how these policies were implemented and he believes that they have interpreted the law to the best of their abilities. It is up to the state and any lawsuits against the university to make any changes to those policies if need be. Sen. Muric has also emailed Dr. With and Dr. Fritsch asking for a meeting to answer numerous campus carry questions that students are asking about the changes coming to campus. We will keep you all updated.

b. Sen. T. Miller:

i. At the request of numerous anonymous students and in an attempt to better current campus awareness and treatment of unwanted attention, sexual harassment, and sexual assault, on April 5th, 2016, Sen. Tiffany Miller reached out to Officer Kevin Crawford at UNT Police to inquire about setting up a stalking education and prevention event for students. Officer Crawford responded positively on April 11th, and Sen. Miller reached out to the Dean of Students Office to ask for their collaboration on the matter. Dr. Maureen “Moe” McGuinness responded, also positively, the same day, and referred Sen. Miller to Renee McNamara, Survivor Advocate for the DOS. After determining the fall would be a better time to host the event, Sen. Miller was asked to and created a survey to send to students in order to gauge general interest for the purpose booking a venue on campus. McNamara and Miller set up a meeting in July to further discuss and plan the event. McNamara
is currently or will soon be in contact with Officer Crawford to hammer out a solid date, as well as event flow. As of now, the survey will be sent out in late August or early September and the event will be held either at the end of September or the beginning of October. The delay is purposeful and designed to allow for copious event advertisement so that as many students as possible are given the opportunity to hear about and attend the event.

c. Sen. Horick:
   i. Will be reaching out to Megan Cunningham of the Honors College regarding the possibility of meeting with Honors freshmen at the Honors College Orientation in August to discuss SGA

d. Sen. Belokin:
   i. Has gathered suggestions from students regarding elections, various issues on campus.
   ii. Has been talking to people about the freshman intern program.
   iii. Looking to potentially implement some of the student suggestions

X. Adjournment [6:24 p.m.]

XI. Floor open to announcements

   a. Aaron Davis:
      i. We Mean Green Fund:
         1. Met last Friday
         2. Several ideas presented including Artscapes, a Pollinator Garden, Tailgate Recycling Program
         3. Approved $119,000 of projects and they still have lots of money to give
         4. They will resume meeting in the Fall

   b. Christa Coffey:
      i. CLS will be hosting a President’s retreat:
         1. Training for organization presidents; application is online
      ii. Mean Green Fling sign-ups have begun
iii. Students can register organizations on OrgSync beginning June 29th
   1. Requires orientation attendance and completion of OrgSync profile
iv. CLS thinks they have resolved the issue of booking classrooms that organizations encountered previously; conflicts with Learning Center classroom bookings should be eliminated
   1. Encourage EARLY registration
c. Q, Sen. Muric: Are there any updates on a community garden?
   i. A, Aaron Davis: Soft opening in the Fall; can provide SGA with updates
   ii. Q, Sen. Muric: How does [the community garden] work?
      1. A: Looking to establish a student organization to facilitate it. I believe that student organizations will have first access to plots.
   d. Q, Sen. T. Miller: Would it be possible for SGA to table during the first week of school to help people find their classes?
      i. A, VP Cole: Possible, we will look into it and follow-up with Senate accordingly; there will for sure be an SGA event during First Flight week. Also, a reminder that SGA will be helping with move-in, as well. [6:30 p.m.]

Next meeting is Wednesday, August 10th at 5:30pm in Senate Chambers (Union 332).
