Andres A. Zorrilla Honors Day Keynote Speaker
Mr. Andres A. Zorrilla, a senior majoring in Business Marketing, with a Concentration in Professional Selling. He is a legacy to his father in Theta Chi Fraternity and is followed by his sister who is currently a freshman here at UNT. Andres is involved in SGA House of Representatives, Alpha Lambda Delta, and the Honors College. Andres has worked on campus in the Vice President of Student Affairs Office as well as several internships in Michigan since he came to UNT in 2011. This year, he is serving as the President of the North Texas Forty, an organization that promotes leadership development. Andres embodies the UNT values of excellence in both academic and leadership pursuits, and his family was selected as 2014 UNT Family of the Year at Family Weekend. We congratulate Mr. Andres A. Zorrilla on his selection as Honors Day Speaker 2015.

History of Honors Day
Honors Day began in 1950, when the Meritum Chapter of Mortar Board Honor Society held the first academic convocation. Blue Key Honor Society later added a banquet for honorees to accompany the convocation, which continued under the guidance of Mortar Board. The university formally assumed responsibility for all activities of Honors Day in 1972, via proclamation of the University president and the student government president. Arrangements since that date have been handled by the University Honors and Recognition Committee which is broadly representative of UNT. Honors Day is sponsored jointly by the Division of Student Affairs and the Honors College. The purpose of the Honors Day Convocation is to recognize students who exemplify excellence in academic and leadership pursuits, and to give the University Community an opportunity to celebrate the accomplishments of these individuals and the wonderful institution of which we are a part.
