   c. Read & Question
      i. Senator Office Hours Bill S2017-B-1
         1. Senator Aguayo: ‘Would the tables just be there or is there a process to table?’
         2. Senator Muric: “My vision for this is for there to be a designated place for the items so that we don't leave shirts, etc. out.”
3. Senator Sanders: “Wouldn’t this cut into our office hour since it will take so long to prepare?”

4. Senator Muric: “Yes, but the union would be a very convenient place and it would be a very effective way to table.”

5. Senator Miller: “Just to clarify, is this optional for Senators to table?”

7. Senator Sanders: Moves to allow freshman intern, Abigail to speak.

8. Intern Abigail: “Is there a way to put office hours online so that the student body can see when we are available?”

9. Senator Muric: “In order to work out the logistics, we can definitely table this bill.”

10. Senator Miller: “I spoke to Tiffany Wells with Rec Sports and if you want to table and do things such as tabling you must have it in your constitution.”

11. Senator Kim: “Since we must make reservations to table 5 days prior to table is there a way that we could post when we table on the SGA website”

12. Senator Muric: “This would be a question for Ian, SGA’s Director of Public relations.”

13. Senator Kim: “Is there a way to leave notes in the SGA office space during office hours so that they won’t be confused to where the Senators are.”

14. Senator Muric: “Since there are not many students coming to office hours this would be more effective way to speak with the student body. I hope to speak to Donna Richie.”

15. Senator Miller: “Could we reserve multiple spaces and have them designated for SGA?”
17. Intern Rene: “We should utilize social media to make it less confusing.”
18. Senator Heard: “Is this something that will be done at the same time?”
19. Senator Muric: “That is definitely something we can discuss and I’m open for your suggestions it can either be in the dining hall or outside a residence hall as well I’m just saying because the union, discovery park, and the library mall are all high traffic areas.”
20. Senator Aguayo: “We would be way more effective and efficient by tabling. Tabling would over compensate for the fact that some students might be confused if the senator isn’t in their designated office hour in the SGA office.”
21. Senator Muric: “I think this would show a little bit of consistency with SGA since we could relay other Senators but most of the issues we del with are campus wide concerns. This will help students become familiar with SGA and have an opportunity to voice their concerns.”
22. Senator Tilley: “What if we table and tell students that we have office hours.”
23. Senator Muric: “This is optional.”
24. Motion to let Abe speak, seconded by Senator Collins.
25. Chief of Staff, Abe: “Exec is always in the office who can tell students where the Senators are. I don’t think there is a problem with this specific bill.”
26. Senator E. Mercado: Motions to close period of discussion.
