Thank you,
-Christopher Lee
Vice President of The Student Government Association
Speaker of the Senate.
WHEREAS, student safety is important on this campus.

WHEREAS, the current policy of the E-Ride shuttles do not take into account that winter daylight savings time creates an increased danger during the evening by making it difficult to see one’s surroundings while traveling across campus on foot.

WHEREAS, according to UNT Parking & Transportation, there is no significant financial burden to provide E-Ride shuttles at an earlier time.

LET IT BE RESOLVED THAT, On behalf of the Student Government Association in coordination with Parking & transportation, e-ride should alter its hours and begin at 6:00 p.m.

LET IT BE FURTHER RESOLVED, due to increased demand based on transportation services, another E-Ride shuttle is highly recommended. This will be sent to Dr. Geary Robinson of Parking & Transportation as well as Dr. With, Vice President of Student Affairs for consideration.

LET IT BE FURTHER RESOLVED THAT, students can begin to see this change on campus as soon as the Fall of 2016 semester.

Respectfully Submitted,
