III. ROLL CALL

IV. GUEST SPEAKER
   a. Wren Baker, Vice President and Director of Athletics
   b. Dr. Elizabeth With, VP of Student Affairs
      i. Sen. Motlagh to Dr. With: “How do you plan to market this to students who don’t care for athletics?” Answer: This puts UNT on the map and appeals to the masses and can bring in new potential students and athletes.
   ii. Sen. Mondragon: How would you market this to students to support when they may rather support a transportation fee increase? Answer: Transportation decided themselves that they did not need a fee increase at this time.
   iii. Sen. Akhame: Do you think UNT could move into a larger, more notable conference? Answer: Yes, if we keep performing well we can move up and be just as notable as the DFW area
   iv. Sen. Lohse: What is to stop Student Service Fee from giving more funding to athletics after this transition? Answer: To continue to give approximately $2,000,000 to athletics we would need to cut programs such as the career center or wellness center which we will not do.
Sen. Tilley: What would you do with this money? Answer: We would increase our marketing efforts, invest in athlete’s academic support, and loyalty programs.
