SGA NEWS AND UPDATES:

- Presidential and Senate applications closed on March 22nd at 5 pm and elections are currently underway. For more information, visit sga.unt.edu for information about the candidates and the election process. Be sure to stay tuned to all social media for updates on the election as well.

- SGA worked with accreditation agency (SACS) and University Administration towards reaccrediation.

- The Senate voted in favor of new seat apportionment for each college for the upcoming administration. Major changes include the removal of the graduate seat and seat amount fluctuations in other colleges due to changes in undergraduate apportionment.

- The Union unveiled Taco Bueno and Starbucks this past week and SGA was able to hold giveaways for the Student Body to test out the new locations for free - Thank you to UNT Dining for making this possible.

Current Legislation being considered:

- Academic Success Center creation
- Language Building renovations
- Changes to Impeachment and Removal process for elected representatives.

SGA IN DEPTH:

“Legislation”

It is the duty of Senators to put forth legislation which addresses the concerns of the student body. Recent examples include the Alcohol Resolution Bill, E-Ride Hours Extension Resolution, and the bill funding the Light the Promenade event earlier this school year. Need an issue resolved? Speak with a Senator and make a change on your campus!
