SGA in Depth:
“Voting”
Voting for referenda, Homecoming theme, SGA leadership, and Distinguished Lecture Series speakers commences this week. To voice your say in the undergraduate student body go to the “Elections” tab at sga.unt.edu or click here.

Vote for both before 5 p.m. on Friday!

Explaining Referenda:

- **Referendum 1:** Instead of a 2/3 majority vote of the entire student body, a president/vice president can be impeached through either a majority vote of all seated Senators or a petition of at least 5% of the student body. The second step is a 2/3 majority vote by the Senate.
- **Referendum 2:** Instead of a 2/3 majority vote from the student body, a senator may be removed from the office by the Supreme Court after a majority vote from Senate or a petition from at least 5% of the students within the college that the senator represents.
- **Referendum 3:** Senator elections will only be held in the spring semester instead of both fall and spring.
