Welcome to Sibling Day 2018! This schedule will be your guide for the activities we have planned today. Take note, you have a variety of choices and some programs overlap, so you may not be able to attend all of the activities. In addition, we hope that during Sibling Day, UNT students are able to show their siblings around campus – visit the Union, take a tour of your residence hall, show your siblings where you take classes – today is about you! We are excited that you are here and hope you have a great Sibling Day! ~ Orientation and Transition Programs

9:00 AM - 10:00 AM  
**Check-In/Registration**  
*Pohl Recreation Center, 2nd level*  
Come pick up your registration packet including a schedule of events for the weekend, wristband, and Sibling Day t-shirt.  
**Photo Station**  
There will be a photo station set up at the Rec Center until 12:00 PM for you and your sibling to take a fun picture with props!

10:15 AM  
**Sibling Day Welcome!**  
*Pohl Recreation Center, Room 205*  
Join other Sibling Day participants for the official welcome address by the Sibling Day program staff. If you have any questions about the day, this is the time to ask them!

10:30 AM - 1:00 PM  
**Party at the Pohl**  
*Pohl Recreation Center - Sponsored by Recreational Sports*  
Visit the Pohl Recreation Center for a morning of open recreation! Come climb the rock wall, play dodge ball, work out, or compete in board game challenges.

10:30 AM & 12:00 PM  
**Sky Theater**  
*Children’s Matinee – It’s About Space. It’s About Time.*  
*Sky Theater, Environmental Education Science Building*  
Show your wristband for free admission.

The Sky Theater @ UNT is located in the Environmental Sciences Building. This unique 100 seat, 40-foot domed theater features the Digistar III projection system that can reproduce tonight’s sky with digital precision.

We lead busy lives. Our days, and nights, are filled with activities. So much so that we hardly take the time to think about time and how we measure it. We are connected to the daily, monthly and yearly cycles of the Sun, Moon and stars in the most fundamental of ways, yet most of us hardly give any of this a second thought. "It's About Space, It's About Time" examines how people throughout time have used occurrences in the sky to mark the passage of time. Why are there seven days in a week and how did the days get their names?
Why does the Moon’s appearance change? And what causes the seasons? All these questions and more are answered in the Sky Theater’s latest production. Show Length: 25 minutes  Age Range: 5th grade

2:00 PM

An Afternoon at the Movies
Pohl Recreation Center, Room 205—Sponsored by University Program Council
What’s better than a Saturday Afternoon Movie? Come and enjoy the movie Lego Batman with your sibling.

2:00 PM & 8:00 PM

Sky Theater
Exploding Universe
Sky Theater, Environmental Education Science Building
Show your wristband for free admission.

The Sky Theater @ UNT is located in the Environmental Sciences Building. This unique 100 seat, 40-foot domed theater features the Digistar III projection system that can reproduce tonight’s sky with digital precision.

When giant stars explode as “supernovas,” they seed the galaxies with heavy elements that make planets and life possible. Some collisions we’re only just now starting to understand. For example, when Black Holes collide, they can throw off some of the most energetic particles known, ripping and warping space as they go. But other "explosions" have profound effects as well, such as the beauty and power of super volcanoes which have contributed to the transformation of our world into the life bearing oasis we now enjoy. The smallest of explosions, such as the forced impact of high energy particles, can echo the foundational events of the early universe.

Show Length: 32 minutes  Age Range: general audience

5:00 PM

North Texas v. University of Texas El Paso
UNT Coliseum (The Super Pit) – Enter at Gate C
Come out and watch the Mean Green take on UTEP in this Conference USA home game! UNT students use their student ID to enter; Sibling Day participants will receive their tickets at check-in.

All Day

Sibling Photo Adventure
Throughout the day, take pictures with your siblings at the following events and upload them to Facebook, Instagram, Twitter or Snapchat using #siblingday2018. Bring your pictures to the Q&A table located at Gate C before the UNT Basketball Game to redeem your prizes!
