Congratulations on your acceptance to the University of North Texas for Fall 2018! All new North Texans are required to attend orientation before they can register and actually attend classes. During orientation, you will have the opportunity to learn about campus resources, receive academic advising, register for classes, and interact with your fellow peers. There are several orientation options for new transfer students. Please read the descriptions of these options in this brochure and select the option that best meets your needs. Regardless of your choice, orientation will provide you with the necessary tools to successfully transition to UNT.

Register for Orientation
Orientation reservations can be made by logging on to my.unt.edu with your EUID and password. Click "Student Center," then “Register for Orientation.” Only those sessions with space still available will appear.

Student Cost: $35.00
Family Cost: $45.00 per family member

Transient/Visiting Students
A transient student is an undergraduate student who has been enrolled at another college or university who plans to attend UNT for one term or semester. If you are a transient or visiting student and wish to speak with an academic advisor, you must do so by calling 940.565.4198 to sign up for an orientation.

What to Bring to Orientation
1. Copy of evaluated transcripts received from UNT
2. Picture ID
3. Current class schedule and course descriptions as listed in catalog of classes for classes that have not appeared on most recent transcript
4. Award letter for Financial Aid & Scholarship recipients
5. All correspondence from UNT, including Spring Cards
6. Comfortable walking shoes

Taking summer classes can get you to graduation faster. Get started at summer.unt.edu.

### WELCOME TO UNT

### TRANSFER ORIENTATION

#### Full-Day Sessions

These are orientations focused on academic advising, registration, campus resources, and peer interaction. The benefit to attending this orientation session is you will register for classes during the Early Registration period for continuing students. This allows for optimal course availability. Space is limited.

- **Transfer Orientation 1**
  - Friday, May 4, 2018
- **Transfer Orientation 2**
  - Friday, June 1, 2018
- **Transfer Orientation 3**
  - Friday, June 28, 2018

All College of Engineering and College of Information majors will be advised at Discovery Park, UNT’s comprehensive research park. Because this is where you will take the majority of your classes, it is important for you to also become oriented with this campus. Orientation Leaders will guide you to Discovery Park by bus following the Orientation Welcome.

#### Half-Day Sessions

Transfer Express sessions are half-day orientations for new transfer students. We realize that many transfer students work full-time or have other obligations during the day. Transfer Express is designed to accommodate students who can’t dedicate a full day on-campus for orientation.

- **Transfer Express 1**
  - Saturday, July 28, 2018
  - 8am-12pm
- **Transfer Express 2**
  - Friday, August 3, 2018
  - 8am-12pm
- **Transfer Express 3**
  - Wednesday, August 8, 2018
  - 4pm-6pm

It is beneficial to attend the earliest orientation session possible for optimum course availability.

Note: The length of your orientation will vary. Please make arrangements to attend the full day of orientation.

### TESTING

#### Music

Auditioned and accepted music majors with transfer college music theory classes will be placed into appropriate music theory and aural skills classes with the consultation of their advisor. All auditioned and accepted College of Music students (with the exception of piano majors) should plan on taking a piano placement test during orientation.

#### Math

The Department of Mathematics will not place students into courses at or above the level of Calculus I (Math 1710) without prerequisite credit. Some examples of prerequisite credit include: scores of 3 or better on the Calculus AB or BC Advanced Placement Exam, a score of 5 or better on the higher-level IB mathematics exam, and credit in mathematics courses with Texas Common Course Numbers: Math 2312 or 2412. If you would like to take Calculus I as your initial course and do not have prior prerequisite credit, you will be required to take the placement assessment. If your major requires Calculus I, then you are strongly encouraged to take the placement assessment.

1. You are expected to take the online Pearson MyMathTest (MMT) prior to coming to your orientation session. Doing this is important for students majoring in Math, Engineering, Science, Economics (BS) and who need to start with Calculus I (Math 1710) or a Business major who needs Business Calculus (Math 1190).

2. You will find how to access the test and other important information about the placement assessment on the Math Department’s website. Go to: www.math.unt.edu, under Courses and Schedules select ‘Math Placement’.

#### Foreign Language

Students taking the Foreign Language Placement Exam may earn up to 12 hours of foreign language credit. The exam may be taken only once per language. Many degrees at UNT require some level of proficiency in a foreign language. Review your degree requirements at catalog.unt.edu to see if a foreign language is required. The placement test is free to take, but if you would like the credits earned from the test applied to your transcript there is a $33 fee that will be applied to your student account. Exams for placement and/or credit are offered in Arabic, Chinese, French, German, Italian, Japanese, Latin, Russian, and Spanish. The foreign language placement/credit exam will be available each orientation session. For more information, contact the Department of World Languages and Literatures at 940.565.2404.
PARENT/FAMILY ORIENTATION

Parent/Family Orientation runs concurrently with the full-day sessions. Parent Orientation is not offered during Transfer Express sessions. The program is optional, but strongly encouraged. Parents/families will have the opportunity to learn about the many offices, services and academic programs UNT offers, including details students might not hear during orientation. You and your student will have separate itineraries, but will have the opportunity to be together several times throughout the day. Due to the nature of the program, family members are unable to attend college meetings and advising sessions.

Family members can register online at orientation.unt.edu and click “Parent and Family”

NEW COLLEGE AT FRISCO

A hub of corporate headquarters, Fortune 1000 companies, and thriving startups, the North Texas region has one of the largest, most vibrant economies in the world. Frisco is at the heart of this economic boom – located in one of the fastest-growing areas in the country and home to the $5 Billion Mile. UNT’s New College at Frisco, an off-site instructional facility, is providing a workforce business, tech, and people savvy leaders and problem-solvers who can take their companies to the next level.

Let your knowledge and creativity flow at the New College. With classrooms powered by the latest technology, you can collaborate, share data, and communicate on platforms used by leading companies. Whether you're a working professional or a transferring student, you'll get hands-on experience and career insight that will transform you into a leader. www.newcollege.unt.edu

TRANSFER TOOLKIT

Prior to attending orientation, all new transfer students are asked to complete online modules through Blackboard Learn called the Transfer Toolkit. These modules will help you explore personal interests and skills, and feel confident in your major selection. Although we realize that transfer students are entering UNT with some college experience, we want to make sure your transition to our university is seamless.

The Transfer Toolkit will be available to new transfer students beginning May 1.

Log on to Blackboard Learn at learn.unt.edu with your EUID (example: abc1234) and password. On the top menu bar, select “organizations” and then your Transfer Toolkit should be visible. It is recommended that you complete the Transfer Toolkit modules before your orientation session.

CAMPUS RESOURCES

Disability Accommodations

If you require accommodations to fully participate in this program (wheelchair accessible transportation, Sign Language Interpreter, handouts in digital format, etc.), please contact the Office of Disability Accommodations at least two weeks prior to your orientation session at 940-565-4323.

Texas Success Initiative

All incoming undergraduate students must take the TSI Assessment prior to enrolling in any collegiate-level coursework, unless they meet the Texas Higher Education Coordinating Board exemptions in accordance with Texas Law. Exemptions may be granted based on SAT, ACT, or TAKS scores OR prior military service OR previous college coursework. Exemptions are not automatic. Check your TSI status by clicking on the TSI link in the lower right corner of your Student Center at my.unt.edu. Questions? Contact the Learning Center at 940-369-7006 or go online to learningcenter.unt.edu for more information.

Meningitis Vaccination

All new students, including transfer students, under the age of 22 must show evidence of receipt of an initial bacterial meningitis vaccination (meningococcal meningitis vaccine) dose or booster in the last five years and at least ten days prior to the start of the semester in which the student initially enrolls. For more information the vaccination, how to submit proof of evidence, and exemptions, go to healthcenter.unt.edu/immunization-requirements.
