Congratulations on your acceptance to the University of North Texas for Fall 2018! To better serve you, all new UNT students are required to attend orientation before they are permitted to register or attend classes.

During orientation, you will have the chance to meet with faculty and staff, connect with current students, learn about university resources, and receive academic advising in preparation for registering for classes. You will leave orientation understanding our university’s spirit and traditions, as well as what to expect as you embark on your college experience.

Late Orientation - Thursday, August 23
Late Orientation is the last formal orientation session prior to the Fall 2018 semester.

Schedule at a Glance
8:00 AM - 9:00 AM Check In at the University Union (1155 Union Circle)
9:00 AM Welcome & Overview
10:00 AM College/School Meetings
11:30 AM - 1:15 PM Lunch/Breakout Sessions
1:30 PM - 5:00 PM Advising & Registration

Cost: $63.00 (non-refundable program fee)
*Light breakfast and box lunch will be provided.

The length of your orientation session will vary depending upon your major and the number of students attending orientation. Please make arrangements to attend the full program.

Math Placement
The Department of Mathematics will not place students into courses at or above the level of Calculus I (Math 1710) without prerequisite credit. Some examples of prerequisite credit include: scores of 3 or better on the Calculus AB or BC Advanced Placement Exam, a score of 5 or better on the higher-level IB mathematics exam, and credit in mathematics courses with Texas Common Course Numbers: Math 2312 or 2412. If you would like to take Calculus I as your initial course and do not have prior prerequisite credit, you will be required to take the placement assessment. If your major requires Calculus I, then you are strongly encouraged to take the placement assessment.

1. You are expected to take the online Pearson MyMathTest (MMT) prior to coming to your orientation session. Doing this is important for students majoring in Math, Engineering, Science, Economics (BS) and who need to start with Calculus I (Math 1710) or a Business major who needs Business Calculus (Math 1190).

2. You will find how to access the test and other important information about the placement assessment on the Math Department’s website. Go to: www.math.unt.edu, under ‘Courses and Schedules’ select ‘Math Placement’.

Foreign Language
Students taking the Foreign Language Placement Exam may earn up to 12 hours of foreign language credit. The exam may be taken only once per language. Many degrees at UNT require some level of proficiency in a foreign language. Review your degree requirements at catalog.unt.edu to see if a foreign language is required. The placement test is free to take, but if you would like the credits earned from the test applied to your transcript there is a $53 fee that will be applied to your student account. Exams for placement and/or credit are offered in Arabic, Chinese, French, German, Italian, Japanese, Latin, Russian, and Spanish. The foreign language placement/credit exam will be available each orientation session. For more information, contact the Department of World Languages and Literatures at 940.565.2404.

Vaccination Statement
All new students, including transfer students, under the age of 22 must show evidence of receipt of an initial bacterial meningitis vaccination (meningococcal meningitis vaccine) dose or booster in the last five years and at least ten days prior to the first day of the semester in which the student initially enrolls. For more information, visit the UNT Health and Wellness Center website at healthcenter.unt.edu/immunization-requirements.

Texas Success Initiative (TSI)
The Texas Success Initiative is a state-legislated program designed to ensure that students enrolled in public colleges and universities possess the academic skills needed to perform effectively in college-level course work. All students MUST provide documentation for exemption or take the TSI Assessment prior to enrolling in college-level courses at the University of North Texas. Students can check their own TSI status by logging onto the MyUNT system at my.unt.edu and going to their Student Center page. In the bottom right corner of the Student Center is a TSI link. Click the TSI link to view your TSI status. If you have questions, contact the Learning Center at 940-369-7006 or academic.readiness@unt.edu.

Special Accommodations
Students who intend to register with the Office of Disability Accommodation (ODA) under the terms of ADA/504, or who request accommodations during their orientation session, should check the appropriate boxes on their orientation registration materials. In addition, please contact ODA two weeks prior to your orientation date by calling 940-565-4323, TTY callers 1-800-RELAY TX. Visit the ODA website at www.unt.edu/oda.

Tuition and Fees Payment
Students attending Late Orientation will need to pay their tuition/fees by 6:00 PM on the same day of registration, or they will be dropped from their classes. Please visit registrar.unt.edu/registration/fall-registration-guide for a complete list of payment deadlines.
Parents & Family Members

Parents are an important part of the UNT family; their support and interest are critical to a student’s successful adjustment to university life. For these reasons, UNT offers a Parent Orientation program that runs concurrently with Late Orientation.

Parent Orientation is designed to give you an understanding of the institution where your student will be spending the next four years. Participants will be introduced to many UNT offices, services, and academic programs and will have the opportunity to visit with current UNT parents. The cost of Parent Orientation is $45 for each parent/family/guest registration. This covers the cost of all materials, meals, and year-long orientation programming. Registration is available online at http://studentaffairs.unt.edu/orientation-and-transition-programs/programs/orientation/parent-and-family

How to Register for Orientation

To register for an orientation session, students need to log on to my.unt.edu with their EUID and password. Once logged in, click Student Center, then Register for Orientation. Pre-registration will close the day before the scheduled orientation.

Parking

Students and parents attending Orientation should park in Eagle Parking Lots 39, 40, 54 or 55 off Welch Street. Official Parking Permits are not required during orientation. However, you are encouraged to place your orientation confirmation card or confirmation email on the dashboard of your vehicle. Do not park in any Faculty/Staff lots, Visitor spots, or metered parking.

What To Bring To Orientation

• Form of payment for tuition and fees
• Pertinent correspondence from UNT
• Comfortable walking shoes
