of Engineering leads enrollment increases with a 20% increase, while the freshmen
retention rate is 78% representing a little over 4,000 freshmen. The diversity statistics
show 20% Hispanic and 14% African American. 49% of freshmen availed themselves
of the Eagle Express Tuition plan, and there is new construction on campus –
Rawlings Hall and the Union. Retailers are expected to move in to the new Union in 8
months.

b. Parent Programs Update – Catherine Olivarez, Program Coordinator, reported an 8%-10%
increase in Parent Orientation attendance with a corresponding increase in
attendance in Transfer orientation. Attendance at Summer Send Off parties was
basically “flat” in attendance numbers compared to 2013. There were 1750
registrants representing 500 families registered for Family Weekend. The “Break
Shuttles” will be operated this year, serving Houston and Austin/San Antonio – an
e-mail will go out next week detailing the service. The pricing will be based on a “per
ride” basis, as not all students will need “round trip” service. The Parent Program
communicates with parents via e-mail using a service called “constant contact”, so
Catherine asked that members check their spam filters to make sure that the emails
aren’t going to junk folders. If there is a problem receiving emails, parents should
contact the office to assure the correct email address is on file. The Parent
Connection program will be held this FY in conjunction with a basketball game where
the “Campus Partners” meetings will be held.

VI. New Business

a. 2014-2015 Budget – Catherine reviewed the projected budget (attached), noting the projected budget was conservative and ended with a balance of $5,862.13. The projected budget allows for approximately 40 draw scholarships and a $9,000 deposit to the endowment which funds the academic scholarships. A question was posed from the membership about why there is a $15,000 expenditure for merchandise, with a $10,000 revenue? The answer was the revenue estimate was very conservative, and that merchandise is replenished throughout the year as par levels decrease. Discussion followed asking is we can decrease expenses, and Elizabeth Cheney responded that the PA is always working to decrease expenses and cover the costs of the organization while retaining as much as possible for scholarships. One member noted that donations seemed weak, and offered the suggestion the board create a donation drive or initiative, with much discussion ensuing. The Parliamentarian commented the budget was only the projected budget while agreeing that the PA could look to increase donations. A MOTION was made to APPROVE the Projected Budget. The MOTION was SECONDED and PASSED with one opposed.

b. President Kantner voiced a motion to create a “donation and fund raising committee” with James DeRose as the chairman. Mr. DeRose requested the committee be designated as an investigative committee to look into fund and donation raising. A MOTION was made to APPROVE the formation of an Investigation Committee for Fund and Donation Raising with Mr. DeRose as the chair. The MOTION was SECONDED and PASSED by UNANIMOUS VOTE.

c. Fall Goody Box Stuffing – President Kantner nominated two dates (November 15 and November 22) for the fall goody box stuffing party. The membership voted to hold the goody box stuffing on November 22nd.

d. Facebook Guidelines – Parliamentarian Humenesky presented the Facebook guidelines for the UNT PA Facebook page to the membership. This is an effort to maintain a positive environment on the Facebook page, and authorizes the PA board to remove negative and offensive posts with 3 board members agreement and support. A MOTION was made to APPROVE the addition of the Facebook Guidelines to the Standard Operating Procedures. The MOTION was SECONDED and PASSED by UNANIMOUS VOTE.

e. Homecoming – President Elect Hill reported that Homecoming is November 8, and the float will be built on November 7th at a location to be disclosed. Hill asked all
members to come out and support the PA by helping build the float and walk in the parade on Saturday. The parade theme is UNT Circus, the Greatest Show on Earth, and a float design has already been created. Tony will notify the membership via the Facebook page as more information comes available.
