### About this plan:

A Division-Wide retreat was held with staff to formulate a set of specific strategies and initiatives to address each of the key goals outlined by the UNT Strategic Plan. Subsequently, each department within Student Affairs met to develop specific interventions/ideas to address both the strategy and the initiative. These interventions will then be reviewed on a regular basis and subsequent reports on progress will be posted to the Research, Assessment and Planning website housed at: <http://studentaffairs.unt.edu/research>. If you have any questions regarding this plan please direct them to Jason Simon, Director, Research, Assessment and Planning at [Jason.simon@unt.edu](mailto:Jason.simon@unt.edu) or 940.369.8054.
