**Maintenance Plan**

- Maintaining your bed can require 3 - 5 hours per week. As Garden Leader of your plot, how will you arrange for the care of your plot and ensure that other commitments (Garden workday attendance, fully planted plots, weeding in and around beds, etc.) are met? (Examples: Frequent communication, assigning each participant an objective for each week, watering schedule, etc.)
How will your organization ensure that plots will be maintained during the summer and winter breaks? Please provide name and contact information for persons responsible for summer/winter maintenance.

Terms

By signing below, you agree that:

- You have read, and will adhere to all rules and regulations outlined in the UNT Community Garden Participation Contract.
- As Garden Leader, you will be held responsible for ensuring that commitments and requirements are met. (i.e. work day attendance, and plot upkeep)
- The Garden Facilitator is free to contact any person listed on this document about service hour requirements. You are also responsible for communicating to the Facilitator any issues meeting these requirements.

If your organization fails to meet these requirements, you will forfeit your plot and all of its contents. I have read and agree to all above conditions.
