

The background of the entire page is a light green, semi-transparent image of an eagle in flight, with its wings spread wide. The eagle is positioned vertically, facing left, and its tail feathers are visible on the right side. The overall tone is soft and celebratory.

## UNT Memorial

The Sustaining Arch Memorial, located in the Onstead Promenade, is a lasting tribute to the students who are no longer with us. Three flag poles on the south side of the promenade display the American, Texas and UNT flags. The Dean of Students calls for the UNT flag to be lowered for seven days when a currently enrolled student passes away. The flag is then presented to the student's family.

*In honor of our fallen Eagles, the  
University of North Texas flags will  
be flown at half-staff today,  
April 6, 2016.*
