

## We Mean Green Fund Project Support Letter Template

[Date]

Dear UNT We Mean Green Fund Committee:

*Please edit this template to reflect the details of the We Mean Green Fund project you wish to support. Support letters should outline:*

- 1. A supporter's confirmation of support or approval for a specific project*
- 2. How the supporter plans to be involved or support the project*
- 3. Their contact email and phone number, name, title, department, and signature*

I have reviewed the following proposal documents for this project and believe that they accurately reflect my level of support:

[Yes/No] Project Proposal Form

[Yes/No] Budget and Timeline

Thank you,
