## Message from the Vice President for Student Affairs

Dear Division of Student Affairs Team,

As we near the end of the semester, I want to thank all of you for the incredible job you have done this academic year. I hope you were able to join us for the [DSA Awards Luncheon](#) this week, where we celebrated our staff members' and departments' many successes.

I also want to reaffirm for our division the [remarks](#) that the UNT president made on the incident that occurred in the University Union last week. The racial slur should never have been used, we don't condone it, swift action was taken to address it and we are trying to prevent it from ever happening again.

I know and appreciate that our division strives to provide a welcoming and supportive environment for all of our students and fellow staff members.

Thank you for all that you do for our students each and every day, and let's finish the semester strong.

Sincerely,  
Elizabeth With, Ed.D.
