UNT Traditions

Scrappy, the Eagle Mascot

The student body chose the Eagle as our mascot in 1922 for its keen eye, strength, independence and loyalty. In 1950, students named the first live bird mascot "Scrappy," which later became the name of the human mascot. The Eagle was known by other names through the years, including "Eppy" in the 1980s. But in 1995, our modern-day Scrappy returned to the nest as the Mean Green's biggest fan.
