Glory to the Green and White
by Julia Smith
Singing Glory to the Green, Singing Glory to the White,
For we know our University is striving for the right.
Down the corridor of years, we’ll forget the joys and tears,
But North Texas, North Texas we love.

**Honors Day Keynote Speaker**

Eryn is a senior majoring in Human Development and Family Sciences and will graduate in December 2018. She is a member of the Honors College, Delta Gamma, NT40, and active in the UNT Center for Leadership and Service through Eaglethon and Alternative Service Breaks. She is an Undergraduate Research Fellow, studying human trafficking prevention. She has taken this knowledge overseas by interning in Eastern Europe to work with survivors of human trafficking. She will pursue a Master’s Degree in Counseling in Spring of 2019.

**History of Honors Day**

Honors Day began in 1950, when the Meritum Chapter of Mortar Board Honor Society held the first academic convocation. Blue Key Honor Society later added a banquet for honorees to accompany the convocation, which continued under the guidance of Mortar Board. The University formally assumed responsibility for all activities of Honors Day in 1972, via proclamation of the University President and the Student Government President. Arrangements since that date have been handled by the University Honors and Recognition Committee which is broadly representative of UNT. Honors Day is sponsored jointly by the Division of Student Affairs and the Honors College. The purpose of the Honors Day Convocation is to recognize students who exemplify excellence in academic and leadership pursuits, and to give the University Community an opportunity to celebrate the accomplishments of these individuals and the wonderful institution of which we are a part.
