DAKOTA CARTER – GUEST SPEAKER

Congratulations to Rustin Dakota Carter, Keynote Speaker for Honors Day. Everyone who knows Dakota-and almost everyone does-will agree that he is a talented and accomplished scholar, a gifted leader, and person of the finest character. Dakota is graduating *summa cum laude* in May 2010 with a bachelor's degree in political science, along with minors in biology, chemistry, and Spanish. He is currently serving as President of Student Government Association, the culmination of an undergraduate career during which he has held numerous leadership positions. Numerous honors have come his way, including selection for the Joint Admissions Medical Program and recognition with the David B. Kesterson Award as Outstanding Student in Honors College. Dakota was admitted to eight medical schools for Fall 2010 and will begin his studies in August towards becoming a physician.

History of Honors Day

Honors Day began in 1950, when the Meritum Chapter of Mortar Board Honor Society held the FIRST academic convocation. Blue Key Honor Society later added a banquet for honorees to accompany the convocation, which continued under the guidance of Mortar Board. The university formally assumed responsibility for all activities of the day in 1972, via proclamation of the president and the president of the student body. All arrangements since that date have been handled by the University Honors and Recognition Committee. The purpose of Honors Day is to recognize students who have excelled in the general and specific pursuit of their educational goals, to honor individuals and groups who have made outstanding contributions to UNT, and to provide an opportunity for the university community to pay tribute to its deserving members. The convocation serves to dramatize the achievements of exemplary individuals in both academic and non-academic endeavors.
