S2019-R1 – Gynecological Services for Women’s History Month

WHEREAS, The Student Health and Wellness Center (SWHC) was established to provide excellent healthcare to all UNT students of diverse socioeconomic backgrounds.

WHEREAS, Affordable Healthcare services for all students needing gynecological services would be advantageous for over 50 percent of UNT’s population.

WHEREAS, Expensive pricing of gynecological services on campus discourages students from taking advantage of the SHWC and puts the health of students needing such services at risk.

LET IT BE RESOLVED THAT, The Student Health and Wellness Center will provide some discounted gynecological services during the week of March 25th through the 29th, 2019 in celebration of Women’s History Month, as well as continue to work to make gynecological services more affordable.
