Welcome to Sibling Day 2019! This schedule will be your guide for the activities we have planned today. Take note, you have a variety of choices and some programs overlap, so you may not be able to attend all of the activities. In addition, we hope that during Sibling Day, UNT students are able to show their siblings around campus – visit the Union, take a tour of your residence hall, show your siblings where you take classes – today is about you! We are excited that you are here and hope you have a great Sibling Day! ~ Orientation and Transition Programs
