**Scrappy Says**

Look for “Scrappy Says” boxes for important notices and hints to make the most out of your college experience.
Welcome to UNT

- Welcome from Dr. Smatresk, President of UNT
- UNT Spirit
- College Life at UNT
- Advising at UNT
Dear students,

Welcome to UNT! College offers you the experience of a lifetime, and I know you’ll thrive here thanks to the plethora of opportunities afforded within our caring and creative environment. Offering the best education in Texas, UNT prepares students for careers in a rapidly changing world and connects you to your dreams. We have a breadth of academic programs to choose from, 77 of which are ranked in the nation’s Top 100. Our ranking as a Tier One research university, according to the Carnegie Classification, also adds prestige to your degree.

College is where you define yourself and gain skills for success. We want you to be prepared for a lifetime of achievement, and we’re here to ensure your successful path to graduation. We have outstanding faculty and staff, a great support network and career-focused resources to help you stay on track. In fact, we have a one-stop site at succeed.unt.edu with tips and easy-to-access resources. When you need help, don’t be afraid to ask, because #UNTCares about your success and making sure you have the support to soar higher.

As a new Eagle, I hope you’ve taken advantage of the Save and Soar tuition plan, which enables first-time students to lock in their tuition rate and obtain discounts for winter and summer session course enrollment. With this plan, you’ll be able to finish your degree faster and get a head start on your career. You can learn more at unt.edu/saveandsoar.

The sky’s the limit when it comes to your education, and we want you to engage in the limitless opportunities available to you in and out of the classroom. From cheering on the Mean Green athletic teams to attending performances, lectures and community events, there are plenty of ways to enjoy student life on one of the most beautiful college campuses in Texas.

You also can stay connected to UNT and each other through social media. “Like” the University of North Texas Facebook page to be a part of our social network. Follow me on Twitter @UNTPrez and the university community @UNTSocial to be part of the conversation. We’re also on Instagram @unt, and we want you to share your university experiences with the #UNT and #UNT24 hashtags!

We’re thrilled you’ve joined the UNT family and are excited to watch your future unfold. Connecting with students is the best part of my job, so come visit me and say hello! We’re here to ensure you receive every opportunity you need to succeed.

UNT Proud,
Neal Smatresk
UNT President
UNT Spirit

History & Traditions

- The “Mean Green” phrase originated from Sidney Gram, wife of the Eagles’ sports information director in 1966.
- The UNT Spirit Bell was brought to Denton from Michigan in 1891. It was originally used to signal class changes and evening curfew.
- Unique to the University of North Texas, the official class ring displays the eagle mascot, university seal, and McConnell Tower.
- Although our eagle mascot has had many name changes, the original eagle mascot was named “Scrappy”.
- The Marching Band provided the university with the first human eagle mascot costume in 1963 named Mr. Eagle.
- The eagle hand sign, or eagle claw, is our university sign of pride & unity.
- Friday is known as Pride Day, where UNT students, staff, and faculty wear green to show their university pride.

UNT Fight Song

Let’s give a cheer for U of NT;  
Cheer for the Green and White.  
Victory’s in store whatever the score,  
Our team will ever fight!  
Fight! Fight! Fight!  
Shoulder to shoulder we march along,  
Striving for victory.  
Playing the game for the honor and fame,  
And the glory of UNT.  
U...N...T...Eagles!  
UNT Eagles Fight, Fight, Fight!

UNT Alma Mater

AKA – “Singing Glory to the Green and White”

Singing glory to the green,  
singing glory to the white,  
For we know our university  
is striving for the right;  
Down the corridors of years,  
we’ll forget the joys and tears,  
But North Texas,  
North Texas, we love!
Welcome to the first few days of your UNT college experience!

Advice from your Orientation Team:

Set out some time each day to look over your notes, even if it's thirty minutes a day.

– Marcel
Economics & Political Science

Embrace change in your newfound independence. Find a major and fall in love with it. Take advantage of all UNT's resources and call home as much as possible.

– Valerie
Dance

College is hard, it's tough, and sometimes frustrating. But the struggle is worth it. Find some good friends, find some stress-relief hobbies, and buckle in for an amazing journey through UNT.

– Stephon
Integrative Studies

New, exciting adventures are waiting for you. Jump out of your box, and walk a different path!

– Eleonor
Human Resources

Embrace who you are, celebrate those different from you, and take chances. You'll have a great experience in college once you open yourself up to change.

– Brett
Public Relations

Get involved. The more you are out in the UNT community, the more doors will open for you.

– Chelsey
Biology

If you're ever struggling in a class don't be afraid to go directly to your professor. Study and get good grades, but don't forget to live your college experience!

– Janeth
Speech Language and Pathology

Going to class may not always be mandatory, but it is the difference between A’s and B’s. Go. To. Class. And pay attention, there is always time to take a nap later.

– Rachel
Communication Design

Use your resources. There are so many resources that UNT has to offer from the Learning Center, to SI sessions, and math labs. They're available to help you succeed so take advantage of them. #caw #gmg

– Grecia
Theatre

If you want to succeed make sure to see your advisor regularly. They are there to help you. My advisor keeps me on track and gives me great advice.

– Roni
Emergency Management & Disaster Science

Going to time management workshops and get a planner. It is hard to keep up with your grades, social life, and organizations without good time management.

– Mau
Real Estate

Find the thing that drives you, the thing that you're passionate about, and do that. You're more motivated to do the things you're passionate about doing.

– Sarah

**Key Terms**

Below is a list of common college terms that will help you be successful here at UNT.

<table>
<thead>
<tr>
<th>Term</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Advanced Hours</td>
<td>Junior or senior courses, numbered 3000 or 4000 level. Many degrees require at least 42 of these.</td>
</tr>
<tr>
<td>Blended Class</td>
<td>A course that uses both physical classroom and online instruction.</td>
</tr>
<tr>
<td>Canvas</td>
<td>Secure, web-based course platform that supports course content delivery, collaboration and assessment.</td>
</tr>
<tr>
<td>Catalog</td>
<td>An online resource that includes university policies, majors/minors available &amp; course descriptions including any pre-requisites.</td>
</tr>
<tr>
<td>Classification</td>
<td>A way the university identifies you based upon your number of complete credit hours.</td>
</tr>
<tr>
<td>Class Number</td>
<td>Number (in parenthesis) that appears along with the class prefix and course number on the schedule of classes. It is used to identify a specific section of the course to aid in registration. Ex. ENGL 1310 (1234)</td>
</tr>
<tr>
<td>Concurrent Enrollment</td>
<td>Enrollment at UNT and other institution in the same semester. Requires preapproval from your Academic Advisor.</td>
</tr>
<tr>
<td>Course Number</td>
<td>A four-digit number following the class prefix. The first number indicates whether the class is considered lower level or advanced. Ex. ENGL 1310.</td>
</tr>
<tr>
<td>Credit Hour</td>
<td>The number of credits you earn for a class and the approximate number of hours a week you are expected to attend each class.</td>
</tr>
<tr>
<td>Eagle Connect</td>
<td>The official UNT email system for students. Your UNT email address is your first and last name @my.unt.edu</td>
</tr>
<tr>
<td>Greenbook or Bluebook</td>
<td>A small, blank pamphlet containing several sheets of notebook paper used for exams that typically include one or more essays or short-answer questions.</td>
</tr>
<tr>
<td>Hold/block</td>
<td>This is applied to your account and may hinder your ability to register. (i.e. library fines, advising holds, or the student financial obligation hold)</td>
</tr>
<tr>
<td>ID Number/EUID</td>
<td>An 8-digit number or user code comprised of your initials and four numbers you will use for identification at UNT.</td>
</tr>
<tr>
<td>Permission Code</td>
<td>Access from a department offering a course to ensure all requirements have been met prior to course enrollment.</td>
</tr>
<tr>
<td>Recitation</td>
<td>A section required by some classes used to cover coursework and answer questions.</td>
</tr>
<tr>
<td>Registration</td>
<td>Adding courses for next semester. The process includes choosing classes, removing holds and enrolling in courses on my.unt.edu</td>
</tr>
<tr>
<td>Satisfactory Academic Progress (SAP)</td>
<td>The minimum requirements to maintain financial aid eligibility includes: UNT cumulative GPA and Pace of Progression.</td>
</tr>
<tr>
<td>Schedule of Classes</td>
<td>Available on the Registrar’s website, this tentative list will help you prepare for the upcoming semester.</td>
</tr>
<tr>
<td>SI Leader</td>
<td>A student proficient in a course who facilitates effective group study sessions through the Learning Center.</td>
</tr>
<tr>
<td>Syllabus</td>
<td>An academic document that communicates course information and defines expectations and responsibilities.</td>
</tr>
<tr>
<td>TA/TF</td>
<td>A graduate student who serves under an instructor to provide general assistance to the instructional process, such as grading, tutoring, etc. A graduate student that teaches courses for credit under the direct supervision of a faculty member or chair.</td>
</tr>
<tr>
<td>W</td>
<td>This grade may be given when a student drops a course or withdraws from the university after the census date.</td>
</tr>
<tr>
<td>Waitlist</td>
<td>A feature that allows students to place themselves on a list for a class section that is full and will be automatically enrolled once a seat opens according to their position number.</td>
</tr>
<tr>
<td>Withdraw from Semester</td>
<td>When you choose to remove yourself from all your classes. Requires permission from the Dean of Students office.</td>
</tr>

Advising Services at UNT provides personalized support for students who are undecided in their major or would like to learn more about other majors offered at UNT. Advising Services’ academic counselors will assist you in navigating UNT majors ensuring you find your best path to graduation. We also offer Class Concierge, a personalized service that documents and assists seniors who are experiencing institutional roadblocks to graduation, such as class time conflicts. The goal is to make your path to graduation as seamless as possible!

Dentistry, Medicine, Optometry, Veterinary Medicine, Physician Assistant, Physical Therapy, Podiatry, Pharmacy, Occupational Therapy, and Chiropractic. UNT offers most of the prerequisites for admission to the professional schools listed above. Students interested in these professions should schedule an appointment with a counselor in the Office of Health Professions. These counselors will provide assistance with entrance requirements, the application process, interview preparation, and the required letters of recommendation.

Pre-law is not an academic major at UNT. There is no required major for those wanting to go on to law school; any major that emphasizes strong writing and reasoning skills will help you prepare for law school. The pre-law advisor is available to provide answers to questions about how to get into law school and what you can do now to prepare.

To become a certified teacher in Texas, students must meet state requirements, which include completion of an Educator Preparation Program, obtaining a bachelor’s degree, and passing the state certification examinations. Students must be admitted to UNT’s Teacher Education Program before enrolling in most education courses.

Students working toward completing the Texas Success Initiative (TSI) requirements must complete TSI advising in the Learning Center each semester prior to registration. The TSI Coordinator will provide assistance with questions regarding TSI requirements and developmental courses.
Section 2

Building Your UNT Degree

- Elements of a Bachelor’s Degree
- UNT Awarded College Credit
- University Core Curriculum
Elements of a Bachelor’s Degree

A bachelor’s degree shows you have completed coursework and met the requirements of a specialized curriculum. Your degree is completed when you have met all of the requirements, taken the right courses in the correct sequence, earned enough semester credit hours and earned the appropriate grades. Navigating your way through college means learning the basics needed to understand and progress through your academic career.

- Minimum 120 credit hours*, depending on major
- 42 credit hours* of university core requirements
- College/School requirements
- Advanced hours, 3000-4000 level (varies by major)
- Major requirements
- Minor requirements (varies by major)
- Electives (varies by major)

Examples of Bachelor’s degrees

<table>
<thead>
<tr>
<th>Bachelor of Arts (BA)</th>
<th>Bachelor of Science (BS)</th>
<th>Bachelor of Business Administration (BBA)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Bachelor of Fine Arts (BFA)</td>
<td>Bachelor of Applied Science (BAS)</td>
<td>Bachelor of Applied Arts and Sciences (BAAS)</td>
</tr>
<tr>
<td>Bachelor of Science in Engineering Technology (BSET)</td>
<td>Bachelor of Music (BM)</td>
<td></td>
</tr>
</tbody>
</table>

Academic Classification

Your classification is based on the number of hours you have earned. Completion of minimum hours required for a degree does not guarantee completion of all degree requirements.

- Freshman 0-29 hours
- Sophomore 30-59 hours
- Junior 60-89 hours
- Senior 90 hours and above

*Credit hours

Every course you take is measured by units called credit hours. In most cases, credit hours represent the number of hours each week you are expected to attend each specific class. Courses may range from one to six credit hours.
Elements of a Bachelor’s Degree

1. UNT Residency Requirements

- A major of at least 24 semester hours. At least 12 hours of advanced work (3000/4000 level) in the major must be earned at UNT (except for the BAAS degree).
- A minimum of 36 semester hours of advanced work (3000-4000 level), 24 of which must be completed at UNT. Many degrees at UNT require at least 42 advanced hours; see the college/school degree requirements of your major in the catalog for details. A lower-level course that, when transferred, is determined to be equivalent to a UNT upper-level course does not satisfy the requirement of advanced hours.
- Twenty-five percent of the university minimum of 120 semester hours (i.e., 30 hours) must be earned in residence.

2. University Core Curriculum

The University Core Curriculum is designed to ensure that you graduate with not only the depth of knowledge you’ll gain from courses in your major area of study, but also a breadth of knowledge which is gained through general education courses. Each of the core curriculum courses will assist you in developing important fundamental skills that will help you be successful in all of your classes and prepare you for life after college. These skills include critical thinking, communication skills, empirical and quantitative skills, teamwork, personal responsibility, and social responsibility. Through the core, you will gain an enthusiasm for learning and an intellectual capacity that you will use throughout your life. Specific core classes will be covered on pages 17-22.

3. College and School Requirements

You must satisfactorily complete all degree requirements specified by the college/school in which the degree is offered. In many instances, there may be college/school academic program requirements in addition to the university core requirements. Please see the individual college/school advising office in order to determine these requirements.

4. Major Requirements

Within your degree, you will narrow your focus to a specific field of study, also known as a major. At least 24 semester hours in a given subject are required for a major, including 12 hours of advanced work. The number of hours required depends on the major you select.

5. Minors

- Minors are like “mini-majors” typically requiring you to complete 18 to 21 credit hours including a minimum of 6 advanced hours
- Some majors require a minor
- View the list of minors at UNT and the requirements for each in the online catalog (catalog.unt.edu) under “Majors, minors, certificates”

6. Undergraduate Academic Certificates

Certificates typically require you to complete 12-20 hours, the majority of which must be advanced. You can view the list of undergraduate academic certificates at UNT and the requirements for each in the catalog (catalog.unt.edu) under “Majors, minors, certificates.”

Certificates may be used to:
- meet workforce needs
- provide you with life/career skills and knowledge
- allow for specialization in academic disciplines
7. Electives

- Electives are any credit hours necessary to reach the minimum number of total credit hours required for your degree after all other requirements have been satisfied.
- Advanced electives may be required in order to meet the university advanced credit hour requirement. UNT requires a minimum of 36 advanced hours in order to graduate. Many degrees at UNT require at least 42 advanced hours. See the college/school degree requirements of your major in the catalog for details.

<p>| | |</p>
<table>
<thead>
<tr>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>General Electives</td>
<td>1000-4000 level courses</td>
</tr>
<tr>
<td>Advanced Electives</td>
<td>3000-4000 level courses</td>
</tr>
</tbody>
</table>

Please visit with your academic advisor about minors, undergraduate academic certificates and electives. The situation will be different for every student.

You may have the option of taking electives Pass/No Pass. Please visit with your academic advisor about this opportunity.

8. Transfer of Credits — How Will Previously-Earned Credit Apply to Your Major?

Transferability vs. Applicability

When you transfer credit to UNT, our Admissions office reviews all transcripts, AP, IB and CLEP scores and posts all earned credit, regardless of how (or if) it will be used to satisfy degree requirements. This review allows you, as the student, to know how many hours UNT has accepted. However, subtracting your earned hours from your required degree hours (typically 120) does not always equal the amount of hours left to complete your degree. Some of your credits may be applied to the core, while others may be pending review by the college/school of your chosen major. In this review, the college/school will look at all of the hours accepted by Admissions and will evaluate them specifically for the core and their individual degree programs. Your academic advising office determines applicability of the credit to a degree program. For more information about military, vocational and technical credit, see your academic advisor.

NOTE: Information provided is subject to change without notice and does not constitute a contract between UNT and a student or applicant for admission. Transfer credit is subject to audit during a student’s academic career at UNT. Total hours accepted may be increased or decreased to reflect correction of prior evaluation or consideration of additional transfer work to ensure compliance with UNT academic policies.

9. Transfer of Core Courses

Successful completion of a 42 semester-credit-hour common core curriculum at a Texas public institution of higher education allows you to transfer to UNT as “core complete.” You will need to work with an academic advisor in the appropriate college/school academic advising office to determine if additional requirements will be necessary to satisfy the 42-hour UNT core. See the UNT transfer articulation web page at registrar.unt.edu/transfer-guides and the transfer course equivalency and degree planning guide tool, Transferology, at transferology.com for online resources.

10. Dual Credit

Most dual credit, AP and IB programs offer courses that can be used towards core requirements. Use the charts on the next few pages to determine how your credit will transfer to UNT. Find your courses under the appropriate columns and highlight or circle the UNT equivalent. Make sure you alert your academic advisor to the courses you completed. Please note that dual credit transcripts must be sent from the community college or university through which the class was offered.

11. Texas Common Course Numbering System (TCCNS)

The Texas Common Course Numbering System (TCCNS) has been designed for the purpose of aiding you in the transfer of general academic courses between colleges and universities throughout Texas. The system ensures that if you take a course the receiving institution designates as common, then the course will be accepted in transfer and the credit will be treated as equivalent to the course offered by the receiving institution. The TCCNS chart (on pages 15-16) lists the courses that the associate deans at UNT have identified as common and their TCCNS equivalents.
## Advanced Placement

Use the chart below to determine which AP examinations are accepted at UNT. Please take note of the required score, hours granted, and the UNT course equivalent.

</table>
UNT awards a minimum of 24 hours of credit if you completed the IB Program and have received the IB Diploma. You must earn a minimum score of 4 on tests that count toward the diploma. UNT Admissions will certify the examination credit based on the qualifying scores.

If you completed a high school IB Program but have not earned the diploma and scored 5, 6 or 7 on the higher level IB examination you will receive college credit at UNT. See chart below for details.

*The minimum score requirements for awarding credit based upon IB exams is subject to change.

### Foreign Languages

Courses beginning with these prefixes (American Sign Language (ASLP), Arabic (ARBC), Chinese (CHIN), French (FREN), German (GERM), Italian (ITAL), Japanese (JAPN), Latin (LATI), Russian (RUSS), Spanish (SPAN)) are marked LANG on the equivalency chart.

For example: TCCNS course of SPAN 1311 is equivalent to SPAN 1010 at UNT.
University Core Curriculum

Statement of Purpose

Through the Texas Core Curriculum, students will gain a foundation of knowledge of human cultures and the physical and natural world, develop principles of personal and social responsibility for living in a diverse world, and advance intellectual and practical skills that are essential for all learning.

Individual academic programs may require courses contained in parts of the University Core Curriculum (fulfilling both core and major requirements simultaneously). Check with your academic advisor for assistance in selecting core courses.

NOTE: The university core is still in progress and some courses that are not listed here are awaiting approval to be included in the core. Some courses, though approved, may not be offered every semester.

Communication (English Composition and Rhetoric (2 Courses/6 Credit Hours)):

The first semester of English Composition teaches you how to write an essay. The second semester teaches you how to write a research paper, brochure or manual. A grade of C or better is required for both Communication courses.

Composition I:

<table>
<thead>
<tr>
<th>Course</th>
<th>Title</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1310</td>
<td>College Writing I</td>
</tr>
<tr>
<td>ENGL 1311</td>

</tr>
<tr>
<td>LING 1322</td>
<td>Research Writing and Preparation for International Students</td>
</tr>
<tr>
<td>TECM 2700</td>
<td>Technical Writing</td>
</tr>
</tbody>
</table>

Interested in writing a manual or brochure? TECM 2700 will teach you how to create both. This class is required by some majors.

Mathematics (1 Course/3–5 Credit Hours):

This is a college-level math course. Some majors require specific and/or additional mathematics courses; see your academic advisor for more information. Incoming freshman will be given a placement group number by the Department of Mathematics. In some cases, a mathematics placement exam may be required or recommended. Your math level or placement is only valid for one school year. See the math chart on the following page to determine which math course is right for you. Please note: MATH 1100 (College Algebra) is not in the core.

<table>
<thead>
<tr>

| Placement Level 3 | MATH 1710 Calculus I (4 hrs) * |

^Courses listed in more than one core category may only apply toward one core requirement.
*Courses with an asterisk have pre-requisites and/or may be restricted to specific majors. See current undergraduate catalog for details.
**These courses are still awaiting approval to be included in the core.
Section 2: Building Your UNT Degree

Which UNT Math Class† is Right for Me?

- Please consult your academic advisor to ensure you select a course which fulfills degree requirements for your intended major(s).
- Students who feel prepared to take a math course beyond their placement level are encouraged to take the math placement test.
- Math placement is valid for one school year.

† This page only covers college-level courses. Students who are not TSI complete or who are unsure of their TSI status should consult the Learning Center, (940) 369-7006.

Entry Level Courses open to any student TSI complete in math

- Journalism, Arts, College of Liberal Arts and Social Sciences, Health and Public Service, Music, Merchandising and Digital Retailing, Hospitality, and Tourism, Data Science, College of Information, College of Education (other than Interdisciplinary Studies)

These non-technical courses satisfy University core but do not meet prerequisites for higher-level math courses. Some majors & programs require or prefer Math 1680. Data Science majors must take Math 1680. All other majors should consult an advisor for help selecting between Math 1580 and Math 1680.

- Math 1580 Survey of Math
- Math 1680 Elementary Probability & Statistics

Math 1180 College Math for Business & Econ
C or better needed for 1190 and for 1350

Business, BA Economics and Interdisciplinary Studies EC—6th Grade
Math 1180 does not meet prerequisites for Pre-calculus or other science or engineering math.

Math 1180 College Math for Business & Econ
C or better needed for 1190 and for 1350

Business, and BA Economics
Math 1190 does not meet prerequisites for higher-level math classes. Business students planning advanced quantitative study are encouraged to follow the science/engineering track instead.

- Math 1190 Business Calculus

Interdisciplinary Studies 4th—8th Grade (College of Education)
This chart does not apply to 4th—8th Grade Interdisciplinary Studies Majors. 4th—8th Grade Interdisciplinary Studies majors should always consult advisors before enrolling in any mathematics course.

Interdisciplinary Studies, EC—6th Grade (College of Education)
Math 1350 Math for Elem Ed I
Math 1351 Math for Elem Ed II

Placement Level 2

Questions? E-mail <MathAdvising@unt.edu>

Placement Level 3
Placement into Level 3 requires one of the following:
1. Placement via the math placement exam;
2. A “3” or higher on an AP Calculus exam; or
3. Prior college credit for Pre-calculus or Calculus I

- Math 1710 Cal I
C or better needed for Math 1720

- Math 1720 Cal II

Higher-level Math

- Math 1700 —Algebra
Math 1100 serves only as a prerequisite course and does not satisfy the University core.

- Math 1650—Pre-calculus
C or better needed for Math 1710

Math, Science, Engineering, and BS Economics
This track is also recommended for business students planning advanced quantitative study. Consult an advisor.

- Math 1650—Pre-calculus
C or better needed for Math 1710
### Creative Arts (1 Course/3 Credit Hours):

This category expands your appreciation of the arts; you will not be performing.

### PLEASE NOTE:
Only 3 hours from the 6 hours required to “Core Option Courses” may be satisfied by courses designated as Core Option B. Consult with your academic advisor to determine the best selection of courses.
Section 3

Degree Progression and Timely Graduation

• Degree Audit/Degree Plan
• Grade Point Average and Academic Standards
• Drops, Withdrawals and Incompletes
• Satisfactory Academic Progress
• Graduation
• Financial Benefits of Timely Graduation
Why am I thinking about graduation now? There is a process to graduation and that process starts today! You should be thinking about the big picture from your first day at orientation to your graduation day. Timely graduation at UNT means graduating with your bachelor’s degree in four calendar years. By using a 4 year plan/academic map and planning ahead, you can spare the expense of additional costs, requirements, and/or fees. Your undergraduate catalog, schedule of classes, degree plan, and advising staff will help you create and review your timely graduation plan. Please visit your advising office for the best route to your academic goals. Academic advisors are here to help you from orientation through graduation.

Timely graduation includes knowing degree requirements, how to sequence classes, and departmental policies such as admission or exit criteria. Request an official degree audit/degree plan from your Academic advisor to guide you through your major. The audit/plan shows all requirements necessary for your degree. You should get an updated audit/plan each semester and chart your progress. You can view an unofficial online audit at mydegreeaudit.unt.edu.

An online degree audit lists all your degree requirements in a user-friendly format referred to as the “interactive audit”. It is a great tool for helping you stay on track for graduation and preparing for advising appointments. Your audit will show you:

- Credit hours earned and credit hours in-progress
- How courses you take will apply to your degree requirements
- UNT, overall, and major GPAs
- “What if” degree audits, if you are considering a change of major

As grades post and requirements are completed at the close of each semester, your audit will update automatically. The online degree audit is not an “official” document. An official degree audit is a document which can be requested in your academic advising office.

Using this tool in collaboration with your academic advisor will help you make the most of your time, money and course selection while attending UNT. For more information about the audit, please contact your academic advising office to schedule an appointment.

**How to run your online degree audit**

1. Go to mydegreeaudit.unt.edu
2. Log in with your EUID and password
3. Request an Audit
   - Current Program (Official Major)
   - Selected Program (What-If)
4. Select an Audit
5. View your Audit

For step-by-step instructions on how to run and read an audit visit: http://registrar.unt.edu/registration/online-degree-audit-instructions
How to Read your Online Degree Audit

The online audit displays the status of each requirement on your degree plan.

The **year and semester** in which the requirement is completed or enrolled is presented and indicates if transfer work was used to complete the requirement.

**In-progress** courses (indicated by “IP” or “ENRC”) are revealed and can be used to verify if a course is meeting a specific requirement on the degree audit.

When a requirement is **unfulfilled**, the audit provides hyperlinks to course descriptions of courses that can be used to complete each requirement.

---

Section 3: Degree Progression and Timely Graduation
Grade Point Average and Academic Standards

Grade Point Average

Your GPA is the average of all points earned for all the classes you have taken. You will have a UNT GPA, which includes only UNT classes, and an overall GPA, which includes UNT and transfer work. Please be mindful that your GPA impacts honors, financial aid, graduation, and your status as a UNT student. Please be sure to check your UNT and overall GPA each semester so you know where you stand. You can check your overall and UNT GPA on your degree audit.

Grade point value:

A = 4 points per credit hour
B = 3 points per credit hour
C = 2 points per credit hour
D = 1 point per credit hour
F = 0 points per credit hour

Calculate your GPA:

1) Multiply hours attempted by the grade point value earned for each class.
2) Total your number of grade points.
3) Divide total points by total of all your attempted hours.

That’s your GPA!

Here’s an example…

Olivia made 1 A, 2 Bs, and 2 Cs her first semester at UNT.

<table>
<thead>
<tr>
<th>Course</th>
<th>Grade</th>
<th>Grade Value</th>
<th>Multiply</th>
<th>Attempted Credit Hours</th>
<th>Grade Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>ENGL 1310</td>
<td>B</td>
<td>3</td>

<td>9</td>
</tr>
<tr>
<td>BIOL 1112</td>
<td>C</td>
<td>2</td>
<td>*</td>
<td>3</td>
<td>6</td>
</tr>
</tbody>
</table>

Olivia earned 42 grade points. She attempted 15 hours.

Total grade points earned divided by total attempted hours: 42 / 15 = 2.8 GPA

Types of GPAs

During your college career, you will find reference to several different GPAs, such as:

**Semester GPA** – The GPA you earned only for the courses you took at UNT for the specific semester.
- Used for calculating semester honors (awarded for fall and spring only).
  - President’s List – Earn 4.0 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.
  - Dean’s List – Earn at least a 3.5 semester GPA in a minimum of 12 hours of graded coursework in residence at UNT.

**UNT GPA (CGPA)** – Your cumulative GPA for all of the hours you have attempted at UNT (determines academic status). Your UNT GPA does NOT include transfer work.

**Overall GPA** – A combination of your UNT and transfer GPA (graduation GPA). Available via online degree audit
- Used for calculating honors for graduation.
  - Cum Laude - 3.500 to 3.699
  - Magna Cum Laude - 3.700 to 3.899
  - Summa Cum Laude - 3.900 to 4.000

**Major GPA** – The GPA required in your major. It can either be a pre-major GPA requirement to enter the program and/or to graduate from the program. It is available via online degree audit.

You may lose your financial aid funding if you do not make Satisfactory Academic Progress. See page 31 for additional information.

Graduating with Honors is not the same as graduating through the Honors College.
# Grade Point Average and Academic Standards

**Academic Standing**
The university will keep track of your UNT GPA and semester GPA to determine your academic standing.

<table>
<thead>
<tr>
<th>STATUS</th>
<th>DEFINITION</th>
<th>NEXT STEPS</th>
</tr>
</thead>
<tbody>
<tr>
<td>Good Standing</td>
<td>2.0 or higher UNT GPA**</td>
<td>Maintain your UNT GPA at a 2.0 or higher</td>
</tr>
<tr>
<td>Academic Alert</td>
<td>Lower than 1.8 UNT GPA your first semester; or 2.0 GPA in subsequent semesters ** Freshman only</td>
<td>Raise your UNT GPA to 2.0 to return to <strong>Good Standing</strong> OR be placed on <strong>Probation</strong> Mandatory advising May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Probation</td>
<td>Lower than 2.0 UNT GPA Freshman who were previously on Academic Alert Sophomore, Juniors, and Seniors</td>
<td>Raise UNT GPA to 2.0 to return to <strong>Good Standing</strong> OR earn a 2.25 semester GPA to be on <strong>Continued Probation</strong> to avoid <strong>Suspension</strong> Mandatory advising May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Continued Probation</td>
<td>Lower than 2.0 UNT GPA Previously on <strong>Probation</strong> but earned semester GPA of 2.25 or higher</td>
<td>Raise UNT GPA to 2.0 to return to <strong>Good Standing</strong> OR earn a 2.25 semester GPA to be on <strong>Continued Probation</strong> to avoid <strong>Suspension</strong> Mandatory advising May be required to attend Academic Coaching</td>
</tr>
<tr>
<td>Suspension</td>
<td>Lower than 2.0 UNT GPA Previously on <strong>Probation</strong> or <strong>Continued Probation</strong> but earned lower than 2.25 semester GPA for the Fall or Spring term</td>
<td>Meet with your academic advisor to discuss course equivalencies for the community college; May be allowed to enroll in the Summer semesters; Raise UNT GPA to 2.0 and return to <strong>Good Standing</strong>; Return to UNT after <strong>Suspension</strong> and enroll on <strong>Probation</strong> Mandatory advising</td>
</tr>
</tbody>
</table>

**The minimum cumulative UNT grade point average you must achieve to remain in good standing is 1.8 in the first semester. A 2.0 minimum cumulative UNT grade point average must be achieved for all subsequent semesters.**

▲ You will remain on academic probation during any summer enrollment in which you fail to raise your UNT GPA to a 2.0.

**Careful! F’s are still attempted hours and count against you!**
Credit hours earned by AP, CLEP, IB, and/or Credit by Examination do not average into your GPA.
Drops, Withdrawals and Incompletes

There are policies in place at UNT for students who have unplanned moments in the semester that hinder their studies: dropping, withdrawing and incompletes. Before making a decision on which policy is the right fit for you, talk to your instructor and academic advisor about implications this decision may have. Also, while they are there to support your success, there may be some changes you can make yourself to improve your academic performance that can be discussed.

For a list of specific questions you should ask yourself before dropping, visit vpaa.unt.edu/advising/dropping. Please exhaust all possibilities to complete your course when thinking about dropping a class. It will possibly delay your graduation and cost you additional time and money. Make yourself aware of the deadlines for dropping, withdrawing and incompletes each semester by visiting registrar.unt.edu.

Dropping vs. Withdrawing

Dropping means you remove or “drop” one or more courses from your schedule, but that you are still enrolled in at least one course at UNT. Dropping a course is handled through the Registrars office.

Withdrawing means you drop all courses and are no longer enrolled in the University. Withdrawing is handled through the Dean of Students office.

Six-Drop Rule

If you were enrolled in higher education for the first time during the Fall 2007 academic term or any subsequent terms, you are allowed to drop a total of six courses in your academic career. This includes any course(s) you may have dropped at another Texas public institution of higher education. This does not apply to courses dropped prior to the census date, and does not apply if you withdraw for the term or session.

Certain exceptions may be made to the limit if you can show good cause for dropping more than that number. For a list of possible exceptions go to: http://registrar.unt.edu/registration/dropping-class.

Withdrawing from the Semester

The Dean of Students Office is committed to helping you if you should ever intend to withdraw from a semester (drop ALL courses). If you wish to withdraw you must do so through the Dean of Students Office (Sage Hall 110) during office hours. This is a “one stop shop” for the withdrawal process. Students may only withdraw from the first class day until the official last day to withdraw as indicated in the academic calendar which can be found at: registrar.unt.edu/registration-guides-by-semester.

You must visit the Dean of Students Office to obtain the official University Withdrawal Form and meet with a staff member. The meeting will ensure you are informed of any obligations you may have with the University or items you may need to fulfill upon returning to UNT. Students will also receive Financial Aid Exit counseling (as applicable). For more information on the withdraw process visit: deanofstudents.unt.edu/withdrawals.

Incompletes

An “Incomplete” may be allowed in emergency situations, but only if approved by your instructor. The course must be 75% complete and you must be passing. The coursework must be completed within one year of granting the grade of “I”. Go to registrar.unt.edu for the date to request an incomplete.

CAUTION!

Please exhaust all possibilities to complete your course when thinking about dropping a class. It will possibly delay your graduation and cost you additional time and money.
Add/Drop Period and Deadlines

Once you have made the decision to drop, you need to be aware of the deadlines posted on the Academic/Registration Calendar on the Registrar’s Office website (http://registrar.unt.edu/registration-guides-by-semester) for each of the following periods in which you can change your schedule.

Add/Drop Period:
• First week of a Fall or Spring semester. (Go to http://registrar.unt.edu/registration-guides-by-semester.html for summer add/drop dates.)
• May be done online or in person at the Registrar’s Office.

Open Drop Period (no adds):
• After the Add/Drop Period ends but before the census date you may no longer add courses, but you can still drop a course through your UNT Student Homepage (my.unt.edu). (Go to http://registrar.unt.edu/registration-guides-by-semester.html for summer add/drop dates.)
• Courses dropped during this period will not be recorded and will not count as one of your six drops.
• May be done online or in person at the Registrar’s Office.

Recorded Drop Period:
• Courses dropped during this period will be recorded (ex: “W”).
• Courses dropped during this period will count toward your six drops.
• Please go to registrar.unt.edu for detailed procedures and deadlines regarding these drops.

Always confirm your drop with a printed receipt from the Registrar’s Office.
Duplications and Excessive Hours

Duplications and Repeated Courses

A duplication is when you repeat a course that you have already completed. It is necessary to duplicate a course if you did not earn the minimum grade needed to complete a degree or program requirement. Before duplicating a course, you should meet with your academic advisor to ensure you truly need to repeat the course. While you are repeating the course, visit the Registrar’s Office to submit a Duplication Form. The Duplication Form is required to ensure your GPA will be calculated correctly.

Most courses can be taken as many times as needed, however, only the first grade you earned will be removed from your GPA calculation. Your second and all subsequent attempts are permanent in your GPA. For example:

“Lisa takes ENGL 1310 and earns an “F”. She duplicates the course in the following semester and earns a “B”. Her transcript will show that she attempted ENGL 1310 twice, but only the grade of “B” will be used in her GPA calculation. In the event she earns a D on her second attempt, the D replaces the F and is permanent in her GPA, however, since UNT requires a C or higher for the Communications core area, Lisa must now take ENGL 1310 for a third time. Her third attempt is considered a repeat and will also be permanent in her GPA”.

If you pay Texas resident tuition rates and have attempted a course more than twice at UNT, you will be subjected to an additional tuition rate of $75 per semester credit hour for any subsequent attempt at a course. This additional charge will be billed to your Student Account after the beginning of each semester. More detailed information about Duplications can be found here: registrar.unt.edu/registration/repeating-courses.

Excess Hours/Excessive Undergraduate Hours

Undergraduate Texas Residents may be subject to a higher tuition rate for attempting excess hours. Attempted hours include courses passed and failed, duplications, repeats and courses dropped with a W. Further information on which courses do and do not towards the excessive hour calculation can be found here: http://registrar.unt.edu/registration/excessive-hours.

You can view your excessive hour status in your Student Center under “Undergrad Student Information” at my.unt.edu.
Satisfactory Academic Progress

The Financial Aid office will review your Satisfactory Academic Progress (SAP) every semester using two standards: your UNT Cumulative GPA (UNT CGPA) and pace of progression. If you fall below one of the determined, standards you may not be eligible to receive your financial aid. For information on SAP please go to http://financialaid.unt.edu/sap

- **UNT CGPA Requirements of SAP**
  The minimum cumulative UNT grade point average for undergraduate students is 1.8 for the first term of enrollment and a 2.0 for all subsequent semesters.

- **Pace of Progression Requirements of SAP**
  You must successfully complete at least 67% of your cumulative attempted credit hours. Attempted hours include repeated, failed, incomplete, withdrawn from, and transfer credit hours.

**PLEASE NOTE:** You are required to notify Student Financial Aid and Scholarships BEFORE dropping classes or withdrawing from the university. By doing so, you will be advised about current and/or future financial aid eligibility.

**Maximum Hour Limit**

In addition to meeting UNT GPA and pace of progression standards, you must not have registered for, earned or attempted more than a specific cumulative maximum of semester hours as an undergraduate student. This limit is effective whether or not financial aid has ever been applied for or received.

The current maximum is 150% of the student’s required degree plan. The maximum includes all hours registered for, earned or attempted at any institution of higher education. This includes hours you have dropped, withdrawn from, failed, duplicated or never completed. If you exceed the maximum number of hours allowed by your degree plan, your financial aid will be canceled.
Financial Benefits of Timely Graduation

Graduation

Graduation Checks
It is highly encouraged that you request an appointment with an academic advisor in your college/school advising office for a graduation check during the semester prior to the semester you plan to graduate. A graduation check ensures you are actually eligible for degree completion and graduation.

Graduation Applications
You must apply for graduation through your my.unt.edu portal during the semester that you intend to graduate by the posted deadline. For additional information on applying for graduation and the application deadline visit: http://registrar.unt.edu/graduation-and-diplomas/apply-for-graduation.

The Graduation division of Records in the Registrar’s Office is responsible for working with UNT’s Colleges and Schools to verify, approve, and post all student degree awards. In addition, they coordinate UNT’s commencement ceremonies. For information about undergraduate graduation call 940-565-4625.

Statewide $1,000 Tuition Rebate
You may be eligible for a $1,000 rebate if you:

- Meet Texas residency requirements at all times while pursuing a degree
- Graduate within 3-hours of your minimum degree requirements

To review the full list of rebate eligibility requirements and detailed rules on administration of the rebate go to: http://registrar.unt.edu/graduation-and-diplomas/1000-tuition-rebate

To find out about your tuition options visit: saveandsoar.unt.edu
Section 4

Plan Your Semester and Registration

• Preparing for Registration
• Registration Tips
• Registration Checklist
• Registration Snapshot
• Your Student Homepage
Preparing for Registration

Registrar Website
Review important registration information online at: http://registrar.unt.edu/registration.html
This will include:

• Schedule of Classes
• Transfer Guides
• Online Degree Audit
• Registration Guides (includes registration and payment dates)
• Dropping and withdrawing deadlines

Undergraduate Catalog
To learn more about your classes for the upcoming semester see the Undergraduate Catalog, catalog.unt.edu, specifically for:

• Degree requirements – majors, minors, certificates
• Course descriptions and prerequisites
• Policies

Meet with Your Academic Advisor
Talk to your academic advisor early in the semester about:

• Planning your schedule
• Your course selections
• Prerequisites for the courses you plan to take
• Any AP, CLEP, IB, military and dual credit that you may have earned

Consider the following when choosing courses:

• What time of day do you work best? Are you a morning person or a night owl?

• How many days do you want to be in class? Remember many courses are scheduled 1, 2, or 3 times a week.

• How many classes do you want to take?

• In what type of environment do you work best? Would you prefer online or face-to-face?

• Are you very organized and a self starter? Both are necessary when taking online courses.

• Would delaying a certain course this semester put you “off track” for your projected graduation date?

• Do you have enough time between classes to: read your textbooks, study for a test, or run errands?

• You need to create a balance between your academic and social lives—both are important pieces to your college experience.

• Students should successfully complete at least 30 credit hours each year to potentially fulfill all degree requirements in four years.

• Use the Visual Schedule Builder to help you create your ideal schedule.
Registration Tips

1. Are you TSI (Texas Success Initiative) Complete?
   - If you are not TSI complete, you must meet with a TSI Coordinator in the Learning Center before registering.
   - You must enroll in mandated courses before registering for your other courses.
   - TSI-mandated courses cannot be waitlisted.
   - Questions about TSI? Contact the Learning Center: Sage Hall 170, 940-369-7006, learningcenter.unt.edu/tsi

2. Math Placement
   - Refer to the math chart on page 18 for a list of entry-level courses that do not require any prerequisites or placement tests beyond math TSI exemption or completion.
   - Math placement levels are determined upon your admission into the University of North Texas.
   - If attempting to place into a higher level than original placement, contact the Department of Mathematics at (940) 565-2155.
   - The Department of Mathematics placement test:
     o Can be attempted a maximum of one time per semester.
     o Is administered on a walk-in basis Monday through Friday between 8:30 am - 3:00 pm, in the Mathematics Undergraduate Advising & Testing Center (GAB 443).

3. Check for Possible Holds on Your Account
   - Student Financial Obligation – a hold placed on your account every semester. You must read through the financial requirements of the registration process. Read and click “confirm” to remove the hold.
   - Transcript - a hold placed by Admissions for missing transcripts.
   - Advising Required - a hold placed by an advising office, must meet with an academic advisor and receive a numeric code.
   - TSI Not Complete - a hold indicating you are TSI-incomplete and must meet with a TSI Coordinator to register.
   - Meningitis - All new students must provide evidence of vaccination against bacterial meningitis, or must qualify for one of the two permissible exemptions, prior to beginning classes at UNT. For more information on vaccination, how to submit proof of vaccination, and the exemptions, go to studentaffairs.unt.edu/immunization-requirements

4. Using the Waitlist Option for Closed Courses
   - The waitlist feature allows you to place yourself on the waitlist for a class section that is full and be given a position number. As seats open up in the class, students will be auto-enrolled according to their position number.
   - When trying to add courses to the waitlist, you can not add courses that conflict with times you have other courses in your schedule, unless you use the swap function.
   - You can not waitlist a course that puts you over 19 hours in a semester.
   - Diligently check your schedule during add/drop to see if a course you waitlisted was added to your schedule.
   - Students are encouraged to enroll in another section if their first choice is waitlisted.
   - Waitlisted classes will always show up in your enrollment summary.
   - Waitlisting a course does not guarantee you a spot in the course.
   - You must pay for courses added to your schedule via the waitlist by the posted deadline.
   - For additional instructions on using this feature: essc.unt.edu/eis/students.htm
5. Course Details
- Available through the Enrollment tile on your my.unt.edu.
- Course details will include:
  - Credit hours
  - Enrollment and meeting information
  - Class Availability
  - Corequisites - a course or requirement which must be taken concurrently with another course
  - Prerequisites - a course or requirement that must be completed successfully before enrolling in a course
  - Online courses - some sections of online courses are restricted to students who are either instate online learners or out-of-state distance online learners

Example: CHEM 1410 (1311). General Chemistry for Science Majors. 3 hours (3;0;1*) Fundamental concepts, states of matter, periodic table, structure and bonding, stoichiometry, oxidation and reduction, solutions, and compounds of representative elements. Prerequisite(s): MATH 1100 or equivalent. May be used to satisfy a portion of the Life and Physical Sciences requirement of the University Core Curriculum. *This hour is a problem-solving session

6. Determining Your Course Load
- Based on your four-year plan, it may be necessary to register for 15 or more hours a semester and possibly attend summer sessions
- Full-time: 12 hours
- Average course load: 15 hours
- Maximum hours: 19 hours during fall and spring semesters and 18 hours during the summer semester (see your academic advisor to determine how many hours you may take in various summer terms)
  - Overload approval is needed if attempting to register for more than 19 hours

Remember! For every hour you are in class per week, you should be prepared to study two hours outside of class. This is a total of at least 45 hours per week dedicated to your academic work. More than a full time job!

7. Course Numbering or Level of Courses
- 1000: Freshman courses – lower level
- 2000: Sophomore courses – lower level
- 3000: Junior courses – advanced level
- 4000: Senior courses – advanced level

Looking for additional sections when registering? Click “View All”

8. Determining if a Course Needs a Permission Code
- If a permission code is required to register for a class, it will be listed in “Class Notes” within the course description
- Contact the department offering the course to receive the permission code
  Example: courses restricted to students residing out-of-state or in certain majors
- All courses will display a default permission code box, but not all courses will require a code

9. Concurrent Enrollment
- If you are taking classes at UNT and wish to enroll concurrently at another institution during the same semester, you must first secure the permission of your advising office at UNT
- Concurrent enrollment during your last semester at UNT may delay your graduation date.
- Always check with your academic advisor and Financial Aid when considering concurrent enrollment
Section 4: Plan Your Semester and Registration

Registration Checklist

1. Register for classes
   - Check your my.unt.edu enrollment tab or the Registration Guide for your registration date: registrar.unt.edu/registration-guides-by-semester
   - Register for classes at my.unt.edu
   - Need a step by step guide for the registration process? See page 38

2. Check Your Financial Aid Status
   - Check your my.unt.edu student portal and EagleConnect e-mail regularly for financial aid information and updates to your account
   - Visit Student Financial Aid & Scholarships (SFAS) in the ESSC if you have questions
   - Familiarize yourself with the SFAS Satisfactory Academic Progress (SAP) policy available at financialaid.unt.edu/sap and adhere to all class enrollment and attendance policies

3. Make Your Payment
   - Payment arrangements should be made after enrolling in courses, but before the payment deadline; payment can be made online at my.unt.edu or through the Student Financial Services Office located on the first floor of the Eagle Student Services Center (ESSC)
   - Deadlines are posted on the Registration Guides, available at: registrar.unt.edu/registration-guides-by-semester
   - Nonpayment will result in loss of enrolled courses. You will have to re-enroll and plan your semester schedule based on the availability of classes at that time, which will likely be limited
   - It is your responsibility to ensure any financial aid payments will be applied by the deadline

4. Confirm Your Schedule
   - Print out a copy and review your schedule
   - Confirm your enrollment and view your schedule at any time by checking the enrollment tab of your my.unt.edu account
   - Remember, enrollment information can be found on your my.unt.edu account, NOT on Canvas. Courses will be available on Canvas on the first day of class. Not all of your courses will include a Canvas component

Registration: you may register according to your current classification, not what it will be after the semester. See page 10 for a list of classifications

If you make any changes to your schedule, please check your account balance at my.unt.edu. You should also check with Financial Aid for any changes to your semester aid.

Submit
Your Student Homepage is the hub of all your academic and financial information. You will find it by logging into your my.unt.edu.
The Tasks tile houses your To Do List items, Hold, & Agreements.

The Enrollment tile is where you can add, drop, swap, and update course registration. You will find:
- You Class schedule
- Class search
- Visual schedule builder
- Enrollment screen
- Shopping Cart
- Drop and Swap
- Enrollment dates
- Course Catalog and schedule

The Academic Records tile holds all your grades, course, history, and unofficial transcript. In this tile you can:
- Request an enrollment verification
- View academic milestones
- View excess hours information
- Apply for graduation.

The Financial Aid tile holds all financial aid related navigations including award information and financial aid summary. Here you can:
- Accept or decline your financial aid awards
- View a shopping sheet
- View your need summary, cost of attendance, and estimated family contribution.

The Student Account tile shows gives you access to:
- View your Balance and Term Summary
- Make a payment
- See your payment history
- Enroll in an installment plan and/or short-term loan
- View and/or consent to receiving an electronic 1098-T
- View your Tuition Plan.

The Advising & Orientation gives you access to:
- Your degree audit
- Your advising sheet used for orientation
- Repeated courses and mandatory course information
- You TSI status
- The link to Appointment Manager to set an appointment with your advisor, or link to the advising.unt.edu resources page.

The Profile Tile is where you can access your biodemographic information and update your:
- Contact details
- Emergency contacts
- Eagle Alert (the contact information for you that will be used by the emergency campus communications system)

The Resources Tile is where you can access other important UNT resources:
- UNT Canvas learning management system
- UNT E-mail
- Jobs – Eagle Careers opportunities
- Start Green, Stay Green
- Care Team
- Mental Health Resources
- Sexual Assault Prevention training
- Graduating Year Experience resources
- AlcoholEdu training
Parking regulations are enforced at all times except during official university closures.
