**WELCOME TO UNT**

Congratulations on your acceptance to the University of North Texas for Fall 2017! All new North Texans are required to attend orientation before they can register and actually attend classes. During orientation, you will have the opportunity to learn about campus resources, receive academic advising, register for classes, and interact with your fellow peers. There are several orientation options for new transfer students. Please read the descriptions of these options in this brochure and select the option that best meets your needs. Regardless of your choice, orientation will provide you with the necessary tools to successfully transition to UNT.

**Register for Orientation**

Orientation reservations can be made by logging on to my.unt.edu with your EUID and password. Click “Student Center,” then “Register for Orientation.” Only those sessions with space still available will appear.

- **Student Cost:** $63.00 per student before July 1
- **Family Cost:** $45.00 per family member

- **Drive-In 1:** Friday, June 2
- **Drive-In 2:** Thursday, July 6
- **Drive-In 3:** Friday, July 21
- **Drive-In 4:** Friday, July 28
- **Drive-In 5:** Friday, August 4
- **Drive-In 6:** Thursday, August 10
- **Drive-In 7:** Tuesday, August 15

It is beneficial to attend the earliest orientation session possible for optimum course availability.

**What to Bring to Orientation**

1. Copy of evaluated transcripts received from UNT
2. Current class schedule and course descriptions as listed in the catalog of classes for classes that have not appeared on your transcript
3. Most recent transcript
4. Award letter for Financial Aid & Scholarship recipients
5. Family Cost:
6. Picture ID
7. Remote Lot 80
8. ADA Accessible

**What to Bring to Orientation**

- **Student Cost:** $63.00 per student before July 1
- **Family Cost:** $45.00 per family member

**TRANSFER ORIENTATION**

**Early Eagle**

This is a one-day orientation focused on academic advising, registration, campus resources, and peer interaction. The benefit to attending this orientation session is you will register for classes during the Early Registration period for continuing students. This allows for optimal course availability. Space is limited.

- **Early Eagle:** Friday, May 5

**Transfer Drive-Ins**

These are one-day orientations focused on academic advising, registration, campus resources, and peer interaction. Select from the following dates:

- **Drive-In 1:** Friday, June 2
- **Drive-In 2:** Thursday, July 6
- **Drive-In 3:** Friday, July 21
- **Drive-In 4:** Friday, July 28
- **Drive-In 5:** Friday, August 4
- **Drive-In 6:** Thursday, August 10
- **Drive-In 7:** Tuesday, August 15

**Testing**

**Music**

Auditioned and accepted music majors with transfer college music classes will be placed into appropriate music theory and aural skills classes with the consultation of their advisor. All auditioned and accepted College of Music students (with the exception of piano majors) should plan on taking a piano placement test during orientation.

**Math**

The Department of Mathematics will not place students into courses at or above the level of Calculus I (Math 1710) without prerequisite credit. Some examples of prerequisite credit include: score of 3 or better on the Calculus AB or BC Advanced Placement Exam, a score of 5 or better on the higher-level IB mathematics exam, and credit in mathematics courses with Texas Common Course Numbers: Math 2312 or 2412. If you would like to take Calculus I as your first course and do not have prior prerequisite credit, you will be required to take the placement assessment. If your major requires Calculus I, then you are strongly encouraged to take the placement assessment.

1. You are expected to take the online Pearson MyMathTest (MMyT) prior to coming to your orientation session. Doing this is important for students majoring in Math, Engineering, Science, Economics (BS) and who need to start with Calculus I (Math 1710) or a Business major who needs Business Calculus (Math 1190).

2. You will find how to access the test and other important information about the placement assessment on the Math Department website. Go to: www.math.unt.edu under ‘Courses and Schedules’ select ‘Math Placement’.

**Foreign Language**

Students taking the Foreign Language Placement Exam may earn up to 12 hours of foreign language credit. The exam may be taken only once per language. Many degrees at UNT require some level of proficiency in a foreign language. Review your degree requirements at catalog.unt.edu to see if a foreign language is required. There is a $53 fee for the placement test. Exams for placement and/or credit are offered in Arabic, Chinese, French, German, Italian, Japanese, Latin, Russian, and Spanish. The foreign language placement/credit exam will be available each orientation session. In addition, the Department of World Languages, Literatures, and Cultures offers proficiency exams for languages not offered at UNT. For more information, contact the Department of World Languages and Literatures at 940.565.2404.

**PARKING ON CAMPUS**

Parking during orientation is available in P-lots #39, 54 and 55. For a detailed map visit: studentaffairs.unt.edu/orientation-and-transition-programs/programs/orientation/transfer-orientation

**35EXPRESS PROJECT**

We want your commute to UNT to be as smooth as possible. For information on the 35Express Project please visit www.35express.org or call 214.483.7777 to sign up for traffic alerts. You can also visit the UNT site at www.unt.edu/35/ to learn about closures and project updates.

**Disability Accommodations**

If you require accommodations to fully participate in this program (wheelchair accessible transportation, Sign Language Interpreter, handouts in digital format, etc.), please contact the Office of Disability Accommodations at least two weeks prior to your orientation session at 940-565-4323.

**Texas Success Initiative**

All incoming undergraduate students must take the TSI Assessment prior to enrolling in any collegiate-level coursework, unless they meet the Texas Higher Education Coordinating Board exemptions in accordance with Texas Law.

Exemptions may be granted based on SAT, ACT, or TAKS scores OR prior military service OR previous college coursework. Exemptions are not automatic. Check your TSI status by clicking on the TSI link in the lower right corner of your Student Center at my.unt.edu. Questions? Contact the Learning Center at 940-369-7006 or go online to learningcenter.unt.edu for more information.

**NEW COLLEGE AT FRISCO**

A hub of corporate headquarters, Fortune 1000 companies, and thriving startups, the North Texas region has one of the largest, most vibrant economies in the world. Frisco is at the heart of this economic boom -- located in one of the fastest-growing areas in the country and home to the $5 Billion Mile. UNT’s New College at Frisco, an off-site instructional facility, is providing a workforce business, tech, and people savvy leaders and problem-solvers who can take their companies to the next level.

Let your knowledge and creativity flow at the New College. With classrooms powered by the latest technology, you can collaborate, share data, and communicate on platforms used by leading companies. Whether you’re a working professional or a transferring student, you’ll get hands-on experience and career insight that will transform you into a leader. www.newcollege.unt.edu

**Meningitis Vaccination**

All new students, including transfer students, under the age of 22 must show evidence of receipt of an initial bacterial meningitis vaccination (meningococcal meningitis vaccine) dose or booster in the last five years and at least ten days prior to the start of the semester in which the student initially enrolls. For more information the vaccination, how to submit proof of evidence, and exemptions, go to healthcenter.unt.edu/immunization-requirements.

**TRANSFER TOOLKIT**

Prior to attending orientation, all new transfer students are asked to complete online modules through Blackboard Learn called the Transfer Toolkit. These modules will help you explore personal interests and skills, and feel confident in your major selection. Although we realize that transfer students are entering UNT with some college experience, we want to make sure your transition to our university is seamless.

The Transfer Toolkit will be available to new transfer students beginning May 1.

Log on to Blackboard Learn at learn.unt.edu with your EUID (example: abc1234) and password. On the top menu bar, select “organizations” and then your Transfer Toolkit should be visible. It is recommended that you complete the Transfer Toolkit modules before your orientation session.

**TRANSFER CENTER**

It is impossible for a new transfer student to know all the ins and outs of college life at UNT, so the Transfer Center provides support to all transfer students during their transition period. The Transfer Center’s main goal is to help students connect to important campus resources, ensuring a successful transition to UNT. The Transfer Center offers opportunities that promote involvement, including Tau Sigma National Honor Society, Transfer Programs, Transfer Communities and Meet Ups, and Welcome Week Programs.

**CAMPUS RESOURCES**

**Disability Accommodations**

If you require accommodations to fully participate in this program (wheelchair accessible transportation, Sign Language Interpreter, handouts in digital format, etc.), please contact the Office of Disability Accommodations at least two weeks prior to your orientation session at 940-365-4323.
