Fall 2020 Payment Deadline

The payment deadline for the Fall 2020 semester has been extended to give students and parents additional time to make payment arrangements. Payments will be due by **Thursday, August 20th at 6pm.** **IMPORTANT:** Students who do not complete payment arrangements or have enough anticipated financial aid to cover their amount due before the deadline will have their class schedule cancelled after 6pm.

If your student needs assistance with making payment arrangements or has any question about their bill, please have them contact us prior to the deadline. Our office can be reached at sfs@unt.edu, live chat at sfs.unt.edu, [virtual appointment](#), or by phone at 940-565-3225.

Installment Plans and Short-term Loans

UNT provides the following alternatives for the payment of tuition and fees during the fall and spring semesters:

- Full payment of tuition and fees upon registration or by the payment deadline; or
- The payment plan to extend your payment deadlines to the second of each month. For example: Fall will be Oct. 2, Nov. 2, & Dec. 2. This requires a 10% initial down payment. **NOTE: A \$20 fee is added when the installment plan is processed and is due with the initial 10% payment.**
- Where to find the Installment Plan option:
 1. Log in to your account at my.unt.edu with your username and password
 2. Click the Student Account tile.
 3. Click the "Installment Plan" tab
 4. Click the "Installment Plan Information" button
 5. Click the "Pay Installment Amounts & Go on Installment Plan" button.

If students need assistance with the 10% down payment, they can sign up for a short-term loan. The short-term loan will extend the payment deadline until the first installment plan payment is due. More information about short-term loans can be found at <https://sfs.unt.edu/short-term-loans>.

ID Cards

Your student's UNT ID card provides access to several on-campus amenities such as: Library access, events on campus, access to the recreational center and athletic events, access to on-campus dining halls and residence halls, and more. **If your student will be living on-campus, it is important that they request their UNT ID prior to campus move-in so that they will have access to their residence hall and can use their meal plan in the dining halls.**

We encourage students to complete the following steps to request their ID as soon as possible so there is no delay in the printing of their card:

1. Submit a photo using our online [ID Request Form](#). Photo must meet the requirements listed below. (UNT ID Systems reserves the right to refuse any photo that does not meet the requirements.)
2. After submission and approval of your photo, we will print the ID in our office and send a confirmation email to their UNT email address.
3. Once they receive their confirmation email, they can pick up their ID at the Union Event Hub (across from Union Ballroom 314). A valid government-issued ID will be required to receive their UNT ID card.
