Greetings Parents and Family Members!

My name is Carter Burks, and I am the Coordinator for Parent and Family Programs! I am from Lampasas, Texas, and have lived my whole life in the Lone Star State. I attended The University of Texas at Austin and received my B.A in History, and Texas A&M University, where I received my M.S. in Higher Education

Administration.

I have worked in several fields within higher education, including housing and residence life and academic advising, before having the privilege of joining the Orientation and Transition Programs here at the University of North Texas. We have many exciting programs and events planned, and we hope to see you all in attendance!

The Parent Programs team, Briana McCarthy, will always strive to be a resource to all members of the Mean Green Family, of which you are all now a part. Please do not hesitate to contact us if you have questions, whether they are about one of our programs, or anything else having to do with the university.

We look forward to hearing from you soon,

Carter Burks

Hello Everyone!

My name is Briana McCarthy and I am originally from Wheaton, Illinois. I received my B.A. in Psychology with a minor in English from the University of North Texas this past spring 2019. During my time at UNT, I became involved with a campus mentorship program which led me to pursue my Masters in Higher Education Administration. I am currently starting the 1st year of my Master's program and plan to graduate spring 2021.

I look forward to helping all of you as your students become part of our Mean Green Family!

See you all in 3 weeks at Family Weekend!!!
