Welcome Apolline and Lisa!

Join us in welcoming two of our newest Student Activities team members.

My name is Apolline Ngati and I will be serving as the new coordinator for Student Organizations - Advisor Support and Risk Management! I say home is where the heart is and for me, home has been Maryland, Illinois and now Texas. I love plants and can't wait to start my work here at UNT!

My name is Lisa Paytonjian and I will be serving as the new coordinator for Student Organizations - Officer Support! I am originally from Norfolk, Virginia, but claim Fort Worth as my hometown. I love to be outdoors hiking or at the park with my dogs. I am so excited to begin working with you all!
Org News & Opportunities

**Important Update Regarding Events during University Closures**

Please note that as a result of the University's closure starting at 6pm tonight and through all of Thursday, that **all meetings and events scheduled in-person and on-campus during this time period are cancelled**. If your org had a reservation that originally extended past 6pm tonight, note that it now ends at 6pm. Please keep an eye out for Eagle Alerts to see if any future days could be impacted. If you would like to reschedule an event or meeting that is being impacted by the closure, please make a comment on the Event Application submitted for the respective event or meeting and we will attempt to address them as quickly as we can, if possible. Please do **not** submit a new Event App.

**Can I put this flyer here?**

We've received complaints from some building managers as well as the Grounds department regarding signage being affixed (usually taped) in places that violate University Policy 04.013, Solicitation, Signs and Postings. As a reminder, flyers (and the like) can ONLY be posted on indoor bulletin boards designated for open posting. They may NOT be affixed to departmental bulletin boards (i.e., boards that indicate they are open to a specific entity to post), walls, windows, doors, light poles, stop signs, or other surfaces not specifically designed for posting. Any student org in violation of this policy will not only be required to remove all signage that they placed by a given deadline, but may also be sent to Conduct for violating University Policy. But on the human-side, let’s be courteous to our hard-working custodial employees, who try to keep UNT’s buildings and grounds looking nice and clean and who put a lot of effort, unnecessarily, into removing signage and tape residue from places not designated for posting.
**Officers, we need your help!**

Officers, we need your help! To be in compliance with the Violence Against Women (VAWA) and Clery Acts, UNT is obligated to report all programming, education, training, and prevention efforts regarding the topics of Sexual Assault, Domestic Violence, Dating Violence, and Stalking. If your student org conducted or participated in an activity (virtual or in-person) that addresses any of these topics in calendar year 2021, please let us know [HERE](#), by 11:59pm on Wednesday, February 9. It'll only take a few minutes!

**Calling All Student Orgs: Sign Up For UNT Preview!**

Join the Office of Admissions on Saturday, March 5, 2022 for UNT Spring Preview. This event draws 3,000 prospective freshmen, transfer, and international students to our campus to learn more about who we are and what our university can do for them.

A part of Preview is the Student Orgs & Services Fair in which we showcase the UNT culture of service, diversity, and Mean Green pride by showing attendees the student organizations that will enrich their academic, social, and service experience.

This is where YOU come in. Help us by meeting these students, having meaningful interactions with them, and showing how they too can find a home at UNT. If your organization would like to participate, please register [HERE](#) by February 18, 2022, to secure your booth! All student organization participants will be provided lunch catered by UNT Dining.

Please contact Winston Franscini at [winston@unt.edu](mailto:winston@unt.edu) if you have any questions. Otherwise, I will be in touch with you upon receiving your registration. Go Mean Green!
Student Org Funding Available NOW!

Does your student org need funding? In addition to having access to UNT SGA Eagle's Nest & Raupe Travel Grant funds, student orgs can access limited funds through Student Activities for eligible student org items and activities.

Student Activities' Student Org Funding is for items and activities that are not eligible to be funded by the above funds. The process is relatively simple and could include, among others, organizational teambuilding activities, supplies, promotional materials, and virtual professional development opportunities. The application is requested at least 10 business days in advance in most cases.
