

Student Organizations,

We hope all is well and you are staying safe and healthy.

By now, you have seen the decision that was made to move all Freshman Orientation sessions online through July, and all Transfer Orientations to a virtual version, with the exception of Late Orientation on August 20. The ongoing concerns with COVID-19 necessitated this decision, to ensure the health and safety of students, guests, staff, faculty, and the UNT community.

We know many of our student organizations rely on our orientation Organization Fairs to get information out about their organizations to our new UNT students. In order to allow our Registered Student Organizations to best highlight themselves, we are going to move our Organization Fair to a virtual format to be placed within our Student Activities Youtube Channel. As such, we are allowing organizations to submit short videos (no longer than 30 seconds).

With our first Freshman Orientation session occurring June 8, we would like to receive these videos by **May 17 at 5 pm**. This will give us enough time to make sure everything works, upload everything to our Youtube Channel, and test before the session goes live.

**Please review the attached document for instructions on how to submit/record your video. All organizations must complete the signup form [here](#) and submit their video links to submitted to [DiJai.Dowling@unt.edu](mailto:DiJai.Dowling@unt.edu) to be eligible to participate in Orientation.**

If you have and additional questions, please feel free to reach out!

Thank you so much for your continued support of our orientation programs.

Best,

**DiJai Dowling, M.A.**
