Bonfire Etching Instructions

Supplies:
- Crayons
- Paper
- Stick (lollipop stick, skewer, toothpick, etc.)

Instructions:
1. Using the crayons, color your paper in an array of colors (except black). Be sure to cover the entire paper.
2. Color over the colors on the entire paper using a black crayon
3. Using a stick, etch through the black crayon to create a bonfire (or any design you want)
