Calling All Student Orgs: 
Join Us For UNT Admitted Students Day!

Join the Office of Admissions on Saturday, April 23, 2022 for UNT Admitted Students Day. This event celebrates incoming freshmen and transfer students for Fall 2022 and offers guests a chance to experience UNT as a new member of the Mean Green family!

A part of the event is the Student Orgs & Resources Fair in which we showcase the UNT culture of service, diversity, and Mean Green pride by exposing admitted students to the army of student organizations that will enrich their academic, social, and service experience while attending.

This is where YOU come in. You can aid us directly in our welcoming efforts and contribute to the sustained growth of UNT by meeting these students, having meaningful interactions with them, and showing how they too can find a home at UNT. Even more so than Preview, this is also a wonderful recruitment opportunity for you to gain excited new members for your club or organization. If your organization would like to participate in this fair for Admitted Students Day, please register at [HERE](https://unt.edu) by April 15, 2022, to secure your booth! All student organization participants will be provided lunch catered by UNT Dining.

Please contact Jazmin Gamez at jazmin.gamez@unt.edu if you have any questions. Otherwise, we will be in touch with you upon receiving your registration.
Upcoming Deadlines for Event Applications

For Spring 2022, the last day that event applications can be submitted is **Tuesday, May 3 at 5:00 pm**. Please note that since the last day to hold events/meetings is May 3rd, the absolute deadline to submit an Event Application for an activity seen as potentially risky is **Tuesday, April 12th at 5:00 pm** (15 business days prior to May 3rd).

It is not up to the student organization to determine if an event is potentially risky. Click on the following [link](#) to learn more. **Also, an Event Application is not considered to be submitted until both the President and UNT Faculty/Staff Advisor have approved the application in OrgSync.**

Locker Clean Out

Student Org Officers, do you currently have an org storage locker? The end of the semester will be here soon, so we want to remind you to make plans to clean out your org storage locker and return the locker key to the Student Activities office.

All student organizations are required to clean out their storage locker and return their key **before the conclusion of finals on Friday, May 13**. Please feel free to do this as soon as possible.

Orgs are not allowed to store their belongings during the summer in order to properly clean out and prepare the lockers for the next school year. If you would like a locker for the 2022-2023 school year, applications will open near the start of the Fall semester.

If you have any questions, please feel free to email [lauren.piepenburg@unt.edu](mailto:lauren.piepenburg@unt.edu) or [lisa.paytonjian@unt.edu](mailto:lisa.paytonjian@unt.edu).
Updating OrgSync Rosters and Bank Accounts

As we begin looking towards the end of the academic year and transition into the new one, **make sure your OrgSync roster is updated** with any officer transitions or changes. In addition to updating your OrgSync roster during officer transitions, **make sure you are making updates to your organization's bank account**! Updating your organization's bank account information during officer transitions helps ensure your org's finances are being properly managed.
