This year's event will take place from **5-7pm on Wednesday, January 18**. Spacing is limited and is assigned on a first come, first served basis.

**Sign-Up [HERE!](#)**

**Deadline to sign up is Wednesday, January 11th by 11:59 pm.**

## Event Applications Tip!

.....

When completing an Event Application, note that the info you input on page one is what migrates to your student org's OrgSync portal calendar, the public OrgSync calendar, and the University Calendar (the former two calendars only if you selected event visibility beyond your organization members) once the Event Application is fully approved. As such, use a descriptive event title (e.g., My Student Organization Weekly Meeting) and description that explains why students should attend. If your Event Application is for a series of events (e.g., weekly meetings), and you want all of those dates to migrate to the aforementioned calendars, be sure to list all dates on page one.

For more info about the Event App, which is required for all events (including meetings and other activities) being held on-campus, visit [studentactivities.unt.edu/orgs-events](https://studentactivities.unt.edu/orgs-events)
