Reminder to Update Your Membership Roster

Student Org Presidents, you should have received an email earlier today regarding updating membership rosters and how to be entered to win a $100 co-sponsorship.

Now that we’re well into the spring semester and peak membership recruitment season is closing, we’d like you to take a little time to **update your membership on your student org’s OrgSync roster**. It’s a great time to remove former members and make sure all current/new members are included. With an updated roster, you can do some really cool things in OrgSync, like download the roster as a meeting check-in sheet, run org elections, and send a mass message to members or groups of members.

**Student orgs that update their roster to be reflective of all current members will be entered to win a $100 co-sponsorship.** To enter, please email lisa.paytonjian@unt.edu by March 23 at 11:59 pm to let us know you’ve made updates. After this date, you are still encouraged to continuously update your roster as you gain and lose members. Failure to update your roster may delay Event Applications, tabling, and other pertinent org forms.
