

Denton High Talent Search

Class of 2023

Talent Search staff have been working hard this summer providing Rising Senior Summer Bootcamps for Seniors 2023! We provided small group workshops with individualized attention to help students complete their summer college and financial aid tasks. Here are some highlights of what has been accomplished in June and July 2022. Please allow me to recognize seniors for being flexible, adaptable, and still very much willing to take time out of their summer to complete college prep items, all with location changes as needed due to DHS still being under construction.

- Seniors signed up for a minimum of two bootcamps, each about **4 hours long**, completing resumes, essays, writing requests for letter of recommendations etc.
- Students created their Federal Student Aid (FSA) ID accounts to help them begin the process of applying for financial aid when the FAFSA opens in October 2022.
- Students completed scholarship research, identifying a **minimum of 5-7 scholarships** ranging from local, regional, state and national.
- Seniors **completed or have begun one or more, 4-year college applications.**

Summary: 40 Seniors, 2 Valedictorians*, 3.92 average GPA

75% of seniors have completed Rising Senior college prep items.
