TRIO Upward Bound (UB) helps high school students in completing high school and in pursuing and completing postsecondary education. TRIO UB teaches students about college entrance exams, college choices, and preparing for college while still in high school.

It’s Free
It costs nothing for students to be a part of Upward Bound. The United States Department of Education funds Upward Bound.

Services
- Academic Advising
- Academic Enrichment Classes
- Career Exploration

- Financial Aid Assis-tances
  … and many more

Qualifications
- First Generation or
- Low-Income or
- Have academic need
- Student wants to pursue a bachelor’s degree
- U.S. Citizen or
- Permanent Resident

If you are interested, join us during one of TRIO UB’s recruitment Saturdays. (Schedule on the back.)
Do Upward Bound students have to attend UNT?

No. We are not recruiting students to attend UNT. In fact, many of our students would probably not want to go to UNT. We want our students to attend any college they would like.

How do students get involved in Upward Bound?

We recruit students from about eight high schools in the Denton area: Aubrey HS, Braswell HS, Denton HS, Krum HS, Little Elm HS, Ryan HS, and Sanger HS. The students apply to the program by completing an application packet that includes recommendation forms. Once they are selected, they start the program as a member in January.

Who is accepted?

Our students come from a variety of backgrounds. Some are very advanced academically and some are very much in need of our academic support, but they all have the potential to continue their educations beyond high school. Most of them come from homes in which education (particularly high education) is not familiar.

How long does Upward Bound work with the students who are accepted?

We accept students into the program while they are in the 9th, 10th, or 11th grades. Once accepted, students stay in the program throughout their high school careers. However, our commitment to them lasts long after graduation.

When does Upward Bound meet?

We meet with the students during the academic year on Saturday mornings. At this time, we have academic classes and tutoring. During the summer, the students stay on campus in a residence hall and participate in academic classes, arts and recreation classes, counseling, and many other fun activities.

What is the biggest benefit of joining Upward Bound?

We pride ourselves on being able to provide our students with a range of experiences that will be helpful to their success in college and even in their life after. UB Students have the chance to experience college before they even start, especially during the summer program. They go on college tours (in and outside the state of Texas), they take cultural trips every year, they get to network with people in similar majors or careers, and so much more.

If you are interested in the program, you have an opportunity to come experience TRIO Upward Bound for yourself. Prospective members are invited to come join us during the following four Saturdays:

For Parents

October 21st there will be a Parent Meeting (presented in English & Spanish) so parents may learn about the program and ask any questions they may have.
