SETTING UP DOCUMENTS

Design Works can print from many file formats.
TO ENSURE OPTIMAL RESULTS, please adjust your file size to match the intended print dimensions.

It’s important to note that files sourced from the Internet or captured as screenshots may result in a fuzzy / blurry image when printed. We advise against using such images for large-format prints and banners, unless they have been acquired at a higher resolution or size. Please be aware that Design Works cannot be held accountable for issues related to spelling errors, color matching, or the quality of images from external sources.

STUDENT WORKS

We cannot mount and or trim projects for class if they are being assessed for their craftsmanship.
