

# EagleLink Overview

In this tutorial, you'll learn how to:

- Navigate EagleLink
- Access your student organization's portal
- Manage your student organization's profile information and roster
- Find the Registration Application

## Home

UNT

Home Organization Directory Organization Management

Welcome, Lucky !

Welcome to EagleLink, the platform designed to provide you with convenient access to explore, view, and manage student organizations. If you have questions or need assistance, whether it be about finding a student organization of interest or managing your student organization's portal, please contact Student Activities.

My Pending Approvals

No pending approvals 🎉

**REGISTRATION APPLICATION STATUS**

| Organization Registration # | Organization                     | Primary Category | Status   |
|-----------------------------|----------------------------------|------------------|----------|
| OR-000273                   | Squirrel Collective              | Environmental    | Approved |
| OR-000274                   | Green & White Traditions Society | UNT Spirit       | Draft    |

[View All](#)

The homepage is your starting point in [EagleLink](#). This is where:

- Under “My Pending Approvals,” Presidents and Primary Advisors will see applications pending their review and approval, which is needed to advance the application to the next level of review.
- Under “Registration Application Status,” officers and advisors can check the status of any application submitted on behalf of an organization, regardless of which officer submitted it.

## Organization Directory

UNT

If you have questions or need assistance, whether it be about finding a student organization of interest or managing your student organization's portal, please contact Student Activities.

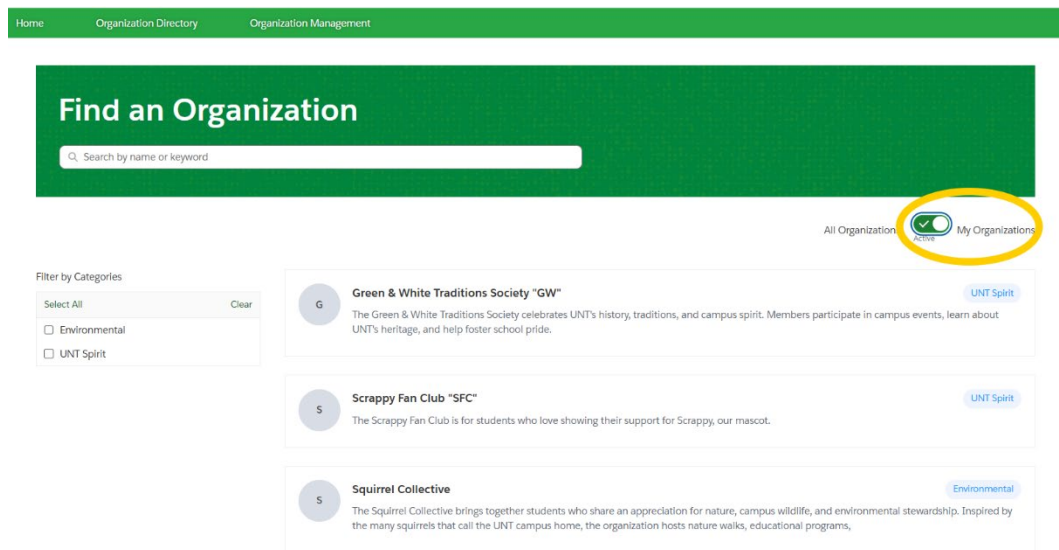

My Pending Approvals

| Record Name | Object                    | Status  | Submitted By | Submitted Date         |
|-------------|---------------------------|---------|--------------|------------------------|
| OR-000298   | Organization Registration | Pending | scrappy.e    | Jul 29, 2026, 10:05 PM |

From here, you can:

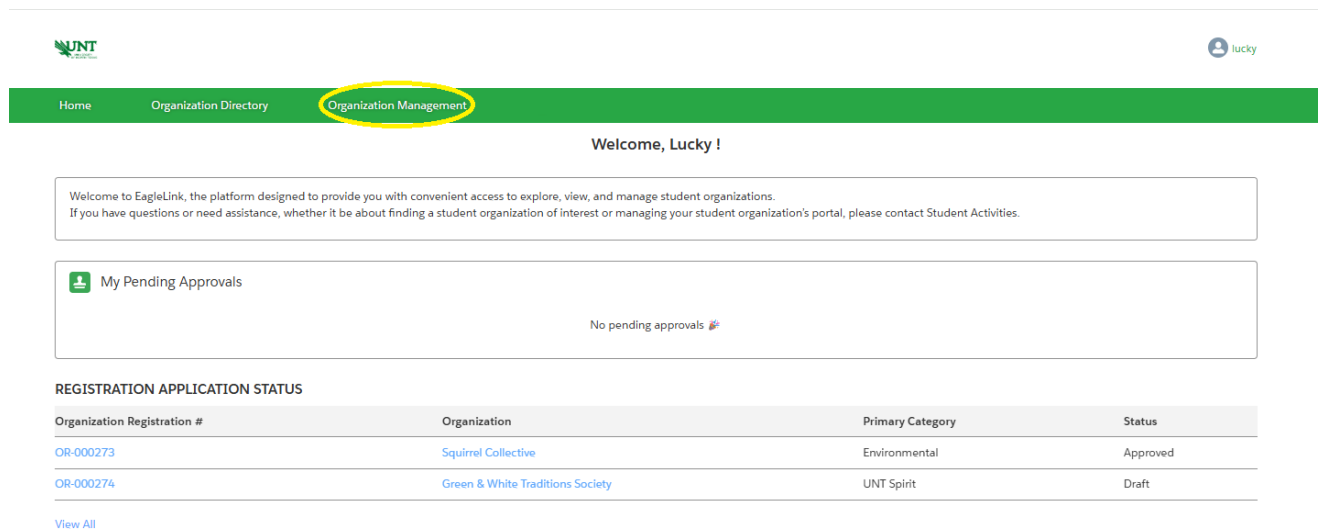

- You can search the database of registered student organizations by name, keyword, or category to learn more about involvement opportunities.

- By toggling to “My Organizations,” you can see and select an RSO in which you’re listed as a member or officer and view its public profile.

**Note:** The information that populates onto the public profile pulls from the responses included in your organization’s Registration Application. Once Student Activities approves your application and registers the organization, existing profile information, including officer details, is replaced by the information submitted in the approved Registration Application. After the organization is registered, you will be able to edit this information in the organization’s portal, under **Organization Management**.

## Organization Management

**Note:** This link will be visible to officers and advisors listed on the EagleLink portal roster. All organizations for which you’re listed as an officer or advisor, whether the organization is registered or not, will appear here.

**TIP**

Throughout the portal, you will see information icons (“i” inside a gray circle), like this:

When you see one, hover over it to get more information, tips, or instructions about that field or function.

From here, you can access your organization's portal, including:

- **Profile**, which is populated with responses from the most recently approved Registration Application. Once registered, you'll be able to update most fields as needed. To edit, click the pencil next to the field or select the "Edit" button in the top right corner of the page. Not all fields (e.g., Organization Name, Primary Category) are editable by the organization.
