II. Roll Call

III. Old Business

a. October 16th Meeting Minutes Approval

- i. approved

IV. New Business

a. R2 - Gender Inclusive Language Syllabi Resolution

- i. Ryan: How does this change language? The syllabi looked at doesn't have gendered language.

- 1. Keaton: Student have come up to say and voice concern. Some do have gender and it is excluding a population. This would help that

- ii. Student Speaker: is gender neutral language for a state requirement?

- 1. It would be throughout the entire syllabus. Had conversations on extending to different areas, but starting small with syllabi

- iii. Student speaker: There are Texas state requirement to have certain wording included in syllabus, what if it has gendered language?

- 1. If there are state required gendered language, then we will have to keep it, this is concerning UNT syllabus language.

- iv. Student Speaker 2: Do you want to restrict gendered language in syllabus? How is this helpful if it is restricting gendered language?

1. Keaton/Deana: Yes, we want to restrict gendered language in syllabi, this is helping those who are affected by gendered language.

v. Student Speaker 2: How would that be enforced?

1. Keaton: SGA just suggests things to administration. We're not trying to make it harder on professors, were trying to make it easier on students.
